I don't know your name
I don't know your name, yeah
I don't know your name
요즘 기분은 어때 ?
I don't know your name, your name, your name
기억들로 여행
지우고픈 일들
요즘 기분은 어때, 어때, 어때?

천구백구십삼 (천구백구십삼)
내가 태어난 달 (내가 태어난 달)
엄마 심장의 수술 , 수술, 수술
별의별 일이 많았지 (별의별 일이 많았지)
뭐가 이리 다사다난한지 (뭐가 이리 다사다난한지)
기억조차 안 나는 기억도
다 꺼내 보자고 하나씩
다 꺼내 보자고 하나씩

Oh-oh, oh
최선들의 선택 (최선들의 선택)
다음 차선들의 선택 (다음 차선들의 선택)
차차 선들의 선택 , 선택, 선택, yeah
원치 않던 일들 (원치 않던 일들)
내 통제 밖의 일들 (내 통제 밖의 일들)
자 집어넣자 하나둘
그래 하나둘, 그래 하나둘

I don't know your name, your name, your name
기억들로 여행, 여행, 여행
I don't know your name, your name, your name
자 지워보자 하나씩 , 그래 하나씩

My amygdala (My amygdala)
어서 나를 구해줘 어서 나를 구해줘
My amygdala (My amygdala)
어서 나를 꺼내줘 어서 나를 꺼내줘
My amygdala (My amygdala)
My amygdala (My amygdala)
이곳에서 구해줘 어서 빨리 꺼내줘 , yeah, yeah

Uh-uh, 그래 참 별의별 일이 많았지
Uh-uh, 귓가엔 엄마 심장 시계 소리
Uh-uh, 전하지 못했던 내 사고 소식과
스케줄 중에 걸려 온 전환 아버지의 간암 소식

(Woah-oh) 최선의 선택들이 맞았었길
(Woah-oh) 그 또한 모두 지나가 버렸기에
그래서 이 수많은 고통은 날 위한 것일까
끊임없던 시련은 날 죽이지 못했고
다시금 나는 연꽃을 피워내

Oh-oh, oh
최선들의 선택 (최선들의 선택)
다음 차선들의 선택 (다음 차선들의 선택)
차차 선들의 선택 , 선택, 선택, yeah
원치 않던 일들 (원치 않던 일들)
내 통제 밖의 일들 (내 통제 밖의 일들)
자 집어넣자 하나둘
그래 하나둘, 그래 하나둘

Woah-oh-oh, yeah
Woah-oh-oh, yeah
I don't know your name
I don't know your name, yeah
I don't know your name
How you feelin' lately?
I don't know your name, your name, your name
Travelling to memories
Things I wanna erase
How you feelin' lately?

1993
The month I was born
My mother's heart surgery
A whole lot was happened back then
Don't know why things are so hectic
I'ma bring back my memories, I can't even remember
Let's unpack them, one by one
Let's unpack them, one by one

Oh-oh, oh
The best choice
Then the second-best choice
Third-best choice, choice, yeah
Things I never ask for
Things that are outta my control
Let's put them back in, one after another
Yes, one, two, yes, one, two

I don't know your name, your name, your name
Travelling to memories
I don't know your name, your name, your name
Come on, let's erase them one by one, yes, one by one

My amygdala (My amygdala)

Please save me, please save me
My amygdala (My amygdala)
Please let me out, please let me out
My amygdala (My amygdala)
My amygdala (My amygdala)
Save me from here, hurry and get me out of here, yeah, yeah

Uh-uh, yeah, a whole lot was happening back then
Uh-uh, the sound of mom's heart tickin' away in my ears
Uh-uh, my accident that I couldn't even mention
The call I got during my work about father's liver cancer
(Woah-oh) Hoped made the best decisions
(Woah-oh) Because they're also all in the past now
So, is all countless suffering for my own good?
What didn't kill me only made me stronger
And I begin to bloom like a lotus flower once again

Oh-oh, oh
The best choice
Then the second-best choice
Third-best choice, choice, yeah
Things I never ask for
Things that are outta my control
Let's put them back in, one after another
Yes, one, two, yes, one, two

I don't know your name, your name, your name
Travelling to memories
I don't know your name, your name, your name
Come on, let's erase them one by one, yes, one by one

My amygdala (My amygdala)
Please save me, please save me
My amygdala (My amygdala)
Please let me out, please let me out
My amygdala (My amygdala)
My amygdala (My amygdala)
Save me from here, hurry and get me out of here, yeah, yeah
