Woo
Woo

So I let it go

Hey 세상 모든 게 다
풀어야 할 문제처럼
눈앞에 모든 게 다
두렵기만 해 나 그리고 너

You 열병을 앓고 있어
나 그리고 우리는
자리 없는 저 어딘가의 별

Every day
Every night
하나 분명한 게 없는 여름밤

Are you there?
How you feel?
너도 나와 같은 어둠 속일까

저 방황 끝에 우린 어떨지
그 누구도 모를걸
조바심과 뒤틀린 떨림
So I gotta let it go

Woo
So I gotta let it go
Woo

Maybe we're living younger
That's why we're Fever
Maybe we're living younger

That's why we're Fever
So I gotta let it go

밤에 한줄기 별을 따라왔네
줄곧 넘어져 부딪혀 포기할까 생각했지만
No, I don't know 잡생각 집어치워
부딪히고 치이는 삶에서 도망가자 빨리

Woah woah
알긴 뭘 알아
내 고통은 딱 나만 앓지 , 누가 알아
아픔 따윈 엄살이라고 불러
Mayday
마주 본 세상이 난 괴로워

No more, no more, no more, no more, yeah
이 모든 게 두렵기만 해
별 수 없이 잡을 수 없기에
달을 보며 자신을 한탄해

저 방황 끝에 우린 어떨지
그 누구도 모를걸
조바심과 뒤틀린 떨림
So I gotta let it go

Woo
So I gotta let it go
Woo

Maybe we're living younger
That's why we're Fever
Maybe we're living younger
That's why we're Fever
So I gotta let it go

Cause we're brighter than star

센 척하는 거야 충분히 아파
위로하지 마 눈물이 날까 봐
죽지 않을 정도로만 피 흘리다
먼 훗날 기억될 거친 젊음에 감사해
Passion, Young, Fever

Woo
So I gotta let it go
Woo

Maybe we're living younger
That's why we're Fever
Maybe we're living younger
That's why we're Fever
So I gotta let it go

Woo
So I gotta let it go
Woo

Woo
Woo

So I let it go
