Let it happen and flow like tears (Like tears)
Pain's nothing (Nothing)
We gon' get over like no fear

目を閉じ don't frightening
毎晩夢の中
君へと I'm diving
We'll see together

底知れぬ夜
過ぎ去って明るい陽が君を照らす
I'll be there for you
I'll be staying for you
結局I'll find you

ここから I'm waiting now
I'm waiting now I'm waiting now
闇を裂く shine and bright
Waiting now waiting now

止まった時が
君を寂しくさせないように願うんだ
その全ての時間
君に捧ごう

遠くの光が
互い照らして
運命を信じるよ

断ち切れないよ
分かるよ 僕は
From far away far away
怖くない
ずっと I'm still here

冷えた風
暖かい Sunlight
君と僕は
記憶の中

Give me a sign
Any way
I can feel
Every where
一緒にいるみたいなのさ
触れられなくても
変わらない気持ち
Always be my side, その時まで

ここから I'm waiting now
I'm waiting now I'm waiting now
闇を裂く shine and bright
Waiting now waiting now

暗闇には負けない
君のため
I'll fight for you

遠くの光が
互い照らして
運命を信じるよ
断ち切れないよ
分かるよ 僕は
From far away far away
怖くない
ずっと I'm still here

陽が昇ったら
全ては元通り
So never afraid of
運命に委ね
倒れずに守るよ

遠くの光が
互い照らして (照らして)
運命を信じるよ
断ち切れないよ
分かるよ 僕は
From far away far away
怖くない
ずっと I'm still here

Still be your side
同じ空の下 be your side
Still be your side
ずっと I'm still here
Still be your side
同じ空の下 be your side
Still be your side
ずっと I'm still here
