처음에는 단지 호기심으로
시작해 네게 관심을 보이지
Holy shhh 그래 니가 날 도외시해도
내게 빠져드는 시간 for a minute
제법 우린 어울리지 니가 없는
나는 빛을 잃은 Seoul city
호시탐탐 너의 빈자리를 노려 토끼굴 그래피티
너 없는 하루란 단막극은 tragedy

우리 만남은 우연이 아니야
너를 만난 건 내 바램이었어
너는 꽃이고 나는 벌이야
너는 꿀이고 나는 곰이야

어쩌면 책 읽듯이 말이 술술 나올까
어딘지 모르게 넌 나를 닮은 것 같아
너무 예뻐 넌 느낌이 좀 나
매력이 터져 이제 내게 줘봐

여기 봐 도망가지 마
여기 봐 도망가지 마
여기 봐 도망가지 마

조만간 니가 날 원할 테니까
외롭다고 징징댈 땐 이미 늦었어
니 아리따운 매력 내가 알아버렸어
Baby come on

처음엔
열 번 문자에 한 번 답장하던 너
나중엔
먼저 전화해 하루종일 나만 찾아대
여기 봐 도망가지 마
여기 봐 도망가지 마
여기 봐 도망가지 마
여기 봐

나란 남자 너에게 다가간 재주
인정해줘 널 위해 달린 내 계주
에츄 재채기 같은 말을 해도 Bless you
지루하면 내 모습 매주 debut
한 듯이 널 향해 가 줄게 뭘 바래
너도 나와 함께 사랑의 바다 항해
넌 도둑 난 경찰 훔친 값은 해
너 없으면 외로운 도시 속의 나그네
너를 원해

우리 만남은 우연이 아니야
너를 만난 건 내 바램이었어
너는 꽃이고 나는 벌이야
너는 꿀이고 나는 곰이야

Love your 알렉산더 왕 love your 이자벨 마랑
Baby 고만 튕겨대 c'mon show me what you got
You sexy girl 나한텐 그게 중요해
(넌 내 이상형 충족) 우리 결혼해
내 일상에 피쳐링 중인
너 몸무겐 99킬로
널 떨칠 수 없어 너무 미워
오늘도 이렇게 운 띄워
너는 귀티 아님 pretty 혹은 진리 아님 이치
Yo my genie 람보르기니 be my teenie weenie
Mini - 넌 비키니와 마티니 또 Mercedes 참 멋지지
너무 이미 니가 지치니 stop that eenie menie miny
여기서 날 제발 꺼내줘
Let me switch your mind 제발 변해줘
아 거기 서 봐 let me walk with ya
우쭈쭈 그랬쪄 해줘 Get it?

여기 봐 도망가지 마

At first, I was only curious
As I started to show interest in you
Holy shhh yeah, even if you ignore me
You'll fall for me for a minute
We look good together, without you
I'm like a Seoul city without lights
I fiercely glare at your empty spot, a rabbit hole graffiti
Without you, my days are like a tragedy

Us meeting isn't just coincidence
Meeting you was what I wanted
You're a flower and I'm a bee
You're honey and I'm a bear

Words come out as if reading a book
Seems like you resemble me somehow
You're so pretty, I'm getting a feeling
Your charms are exploding, come give it to me

Look here, don't run away
Look here, don't run away
Look here, don't run away
Because soon, you'll want me
When you're crying because you're lonely, it's already
Too late, I already figured out your pretty charms
Baby come on

At first
You answered once when I texted ten times
But later
You call me first and look for me all day
Look here, don't run away
Look here, don't run away
Look here, don't run away
Look here

A guy like me has talent for going to you
Admit it, I ran my finances for you
Achoo, words like a sneeze, bless you
If you get bored, I'll debut every week
I'll go to you, what do you want?
Come with me to the sea of love
You're a thief, I'm the police, pay for your crime
Without you, I'm a lonely city nomad
I want you

Us meeting isn't just coincidence
Meeting you was what I wanted
You're a flower and I'm a bee
You're honey and I'm a bear

Words come out as if reading a book
Seems like you resemble me somehow
You're so pretty, I'm getting a feeling
Your charms are exploding, come give it to me

Look here, don't run away
Look here, don't run away
Look here, don't run away

When you're crying because you're lonely, it's already
Too late, I already figured out your pretty charms
Baby come on

Love your Alexander Wang, love your Isabel Marant
Baby stop playing hard to get, c'mon show me what
You got, you sexy girl, that's important to me
(You're my ideal type) let's get married
You're featuring in my daily life
Weighing 99kg
I can't shake you off, I hate you
I'm wishing for some luck today
You're cute and pretty, the truth and reason
Yo my genie, Lamborghini, be my teenie weenie mini
You're a bikini and martini, Mercedes so hot
It's too tiring so stop that eenie menie miny
Please take me out of here
Let me switch your mind, please change
Stand over there, let me walk with ya
Sweet talk to me. Get it?

Look here, don't run away
Look here, don't run away
Look here, don't run away

When you're crying because you're lonely, it's already
