넌 늘 머리 위를 지나가는 뜬구름처럼 내 손에 닿지 마라
이 마음이 얼마나 당신을 좋아라 하는지 알지 마라
네가 준 외로움 괴로움 가슴 저림까지 전부 내가
사랑이라 부를 테니 조금의 여지만 주고 스쳐 가라
때로는 5월 같은 미소로 내 불안을 녹이고
때로는 1월 같은 눈빛으로 심장을 얼려줘
아찔한 혼란 속을 반갑게 허우적대며

일방적인 그리움에 젖은 채 노래를 불러

내 환상 속에 살아 숨을 쉬어줘
미지한 우주처럼 가질 수 없는 널
영원히 사랑할 수 있게

You are my Cosmos
나의 우주야
쳐다볼 수조차 없게 그 눈부심을 잃지 마
You are my Cosmos
나의 우주야
떨어지지 마라 나의 꽃잎아

She got 조화로운 이목구비
웃을 때 과즙상 fruity
꽃잎을 삼킨 듯한 목소리가 만들어낸 고고한 분위기
연약한 들숨 날숨에서조차 황홀한 감각을 느끼지
이 모든 게 미술관 그림 바라봄만으로 영감을 주지
나의 여왕 무료한 하루를 채우는 유일한 열망
Give it to me 날 망가뜨릴 새로운 절망
사랑에 눈을 뜬 동시에 makes me blind

내 환상 속에 살아 숨을 쉬어줘
미지한 우주처럼 가질 수 없는 널
영원히 사랑할 수 있게

You are my Cosmos
나의 우주야
쳐다볼 수조차 없게 그 눈부심을 잃지 마
You are my Cosmos

Stay out of my reach like the clouds passing over my head
Don't mind how much I think of you
I will call all the loneliness and sadness you've given me
Love so leave me hanging with a bit of tease
Your smile melts away my anxiety like the May weather
Your glare freezes my heart like the January cold
Gladly swimming in the sea of confusion
I sing a song knowing I miss you in one direction

Please live and breathe in my imagination
Like the intangible depth of the unknown galaxies
So I can love you forever

You are my cosmos
My universe
Don't lose that shine that makes you hard to stare
You are my cosmos
My universe
Don't fall like the petals on flower

She's got harmonious facial features
She has a fruity smile
She has a voice as if she has swallowed a flower
Even her subtle breathe makes me feel ecstatic
She can be a painting in a museum
And still make me feel all of this
My queen, my only yearning in my empty day
Give it to me, the new despair that will ruin me
Your love opens my eyes then makes me blind

Please live and breathe in my imagination
Like the intangible depth of the unknown galaxies
So I can love you forever

You are my cosmos
My universe
Don't lose that shine that makes you hard to stare
You are my cosmos
My universe
Don't fall like the petals on flower

Yeah-ah-ah-ah-ah
Yeah-ah-ah-ah-ah

You are my cosmos
My universe
Don't lose that shine that makes you hard to stare
You are my cosmos
My universe
Don't fall like the petals on flower
