Green Light

CHANMINA

If you wanna play
I can make your day
But I get my way when the lights go down
We can get a room
But I'm telling you
What we're gonna do when the lights go down

Break in
Don't stop it
I'm coming on in
Mada anata o yoku shiranai
Like a adamutoibu
Shinobiashi toiki-majiri
So sukyandarasu night

Atetsukenaide yo jerashī
Moshi sōnara anoyo de cemetery
RIP
I'ma love you like a ecstasy
If ya get with me
Then ya getting me, uh

Moshi anata ga asobitainara
Raito o gurīn ni sureba ī
Kono raito ga aka no mama ja
Nanimoshinai
When the lights go

Green light, green light
You want that
Green light, green light
Na na na na na
Green light, green light
I got that green light
Oh oh oh oh oh

On your mark
And are ya ready
Ready set and go like
Īnara go
It's time for a show right?
It's time for a show right?
No you never say no right?

Ne ~emadadamemada aka janai
Aseranai de la la la la
Doakī watashitara 5-bu-go ni
Doa o nokku shite la la la la

Moshi anata ga asobitainara
Raito o gurīn ni sureba ī
Kono raito ga aka no mama ja
Nanimoshinai
When the lights go

Green light, green light
You want that

Green light, green light
Na na na na na
Green light, green light
I got that green light
Oh oh oh oh oh

And if you wanna play
I can make your day
But I get my way when the lights go down
We can get a room
But I'm telling you
What we're gonna do when the lights go

Green light, green light
You want that
Green light, green light

But I'm telling you
What we're gonna do when the lights go down

Don't stop it
I'm coming on in
まだあなたをよく知らない
Like a アダムとイブ
忍び足 吐息混じり
So スキャンダラス night

当てつけないでよジェラシー
もしそうならあの世でcemetery
RIP
I'ma love you like a ecstasy
If ya get with me
Then ya getting me, uh

もしあなたが遊びたいなら
ライトをグリーンにすればいい
このライトが赤のままじゃ
何もしない
When the lights go

Green light, green light
You want that
Green light, green light
Na na na na na
Green light, green light
I got that green light
Oh oh oh oh oh

On your mark
And are ya ready
Ready set and go like
いいならgo
It's time for a show right?
It's time for a show right?
No you never say no right?

ねぇまだだめまだ赤じゃない
焦らないで la la la la
ドアキー渡したら５分後に
ドアをノックして la la la la

もしあなたが遊びたいなら
ライトをグリーンにすればいい
このライトが赤のままじゃ
何もしない
When the lights go

Green light, green light
You want that
Green light, green light
Na na na na na
Green light, green light
I got that green light
Oh oh oh oh oh

And if you wanna play
I can make your day
But I get my way when the lights go down
We can get a room
But I'm telling you
What we're gonna do when the lights go

Green light, green light
You want that
Green light, green light
Na na na na na
Green light, green light
I got that green light
Oh oh oh oh oh

もしあなたが遊びたいなら
ライトをグリーンにすればいい
このライトが赤のままじゃ
何もしない
When the lights go

Green light, green light
You want that
Green light, green light
Na na na na na
Green light, green light
I got that green light
Oh oh oh oh oh
