어둠이 내리고 밤이 찾아오면
커튼이 걷히고 쇼는 시작되죠
아무도 모르게 차가운 저
달빛에 숨어 (조금씩)
Do all day 오늘도 니 맘을 훔치러

아슬아슬하게 너를 원해
Let me be your honey
당겼다 밀었다 I'mma be honest
지금 나랑 장난하는 거니
느낌 느낌적인 느낌
더 이상 거부할 수 없어 no nono
느낌 느낌적인 느낌
어디도 피해갈 수 없어 no nono

Baby tonight
I want to know 알고 싶어
가슴 깊숙한 그곳의 비밀까지도
이 밤이 지나기 전에
유혹의 주문을 거네
Baby what you what you wanna do
Cause I'mma be your LUPIN

(Doowop- doowop-)
What you what you wanna do
Cause I'mma be your LUPIN

(Ay yo- whoo lego- whoo)
What you what you wanna do
Cause I'mma be your LUPIN

아무도 모르게 (be my side)
더 은밀하게 (yeah)
살며시 너에게 다가가
심장을 훔칠래 baby
숨죽여 소리 내지 마 모두 들켜버리잖아
So I can breath up breath up

Baby tonight
I want to know 갖고 싶어
너의 모든 것 달콤한 숨결까지도
이 밤이 지나기 전에
유혹의 주문을 거네

Baby what you what you wanna do
Cause I'mma be your LUPIN

(Doowop- doowop-)

What you what you wanna do
Cause I'mma be your LUPIN

(Ay yo- whoo lego- whoo-)
What you what you wanna do
Cause I'mma be your LUPIN

이 밤이 지나가고 나면
모두 끝이 될까 봐
연기처럼 사라질까 봐
감은 눈 뜨지 못해 간절히 원해
이 꿈에서라도 너의 모든 걸
다 가진 남자일 수 있게

(Doowop- doowop-)
What you what you wanna do
Cause I'mma be your LUPIN

(Ay yo-)
오늘밤도 널 위해 주문을 거네
(Ay yo-)
What you what you wanna do
Cause I'mma be your LUPIN

When darkness falls and nighttime comes
The curtains draw back and the show begins
Without anyone knowing, I'm behind behind the cold moonlight (slowly)
Do all day, to steal your heart again

It's risky but I want you
Let me be your honey
This game of push and pull, i'mma be honest
Are you playing with me right now?
This feeling, this sensual feeling
Can't deny it anymore, no no no
This feeling, this sensual feeling
Can't run away anywhere, no no no

Baby tonight
I want to know, I wanna know
Even your deepest secrets
Before this night is over
I'm casting a spell of temptation
Baby what you what you wanna do
Cause I'mma be your LUPIN

(Doowop- doowop-)
What you what you wanna do
Cause I'mma be your LUPIN

(Ay yo- whoo lego- whoo)
What you what you wanna do
Cause I'mma be your LUPIN

Without anyone knowing (be my side)
Even more secretly (yeah)
I will quietly go to you
And steal your heart, baby
Be quiet, don't make any sounds before you get caught
So I can breath up breath up

Baby tonight
I want to know, I want you

All of you, even your sweet breath
Before this night is over
I'm casting a spell of temptation

Baby what you what you wanna do
Cause I'mma be your LUPIN

(Doowop- doowop-)
What you what you wanna do
Cause I'mma be your LUPIN

(Ay yo- whoo lego- whoo-)
What you what you wanna do
Cause I'mma be your LUPIN

After this night is over
I'm afraid it'll all end
That you'll disappear like smoke
So I can't open my eyes, I desperately want you
So I can be a man who has all of you
Even in this dream

(Doowop- doowop-)
What you what you wanna do
Cause I'mma be your LUPIN

(Ay yo-)
Casting a spell on you again tonight
(Ay yo-)
What you what you wanna do
Cause I'mma be your LUPIN
