Hustle Like a Lady

Dev

This town ain’t got no shit to do
 Different chick
 Same bitch
 Trying to jock me

Same thing everyday
 Make music, get paid
 Go spend it in a day
 While I’m shopping

All these whack dudes want to fuck with me
 And all these whack bitches can’t fuck with me
 I came here, to throw down!
 So please don’t expect me to slow down

Like 1, 2, 3, 4
 Get your fucking wallet and my motherfucking coat
 Let’s go
 Let’s go

 Cause I gotta get mine
 Gotta get mine
 Every single day
 Every single day
 Watch me hustle boy
 Watch me hustle boy
 Hustle like a lady
 Hustle like a lady

Now you know I stay dry
 From my head to my toe
 Every motherfucking show
 G-give me money t-to blow

We got cups full of drinks
 Swisher’s sweet, take a puff
 All the bad girls drop it (drop it)
 Bring it back up

Get it off, shake it off
 Shake it off
 Don’t stop, don’t stop
 Won’t stop

Hide the gun
 Thumpers
 Chops
 Now hop in the back of my car

Like 1, 2, 3, 4
 Get your fucking wallet and my motherfucking coat
 Let’s go
 Let’s go

 Cause I gotta get mine
 Gotta get mine
 Every single day

Every single day
Watch me hustle boy
Watch me hustle boy
Hustle like a lady
Hustle like a lady

Now you know I stay dry
From my head to my toe
From my head to my toe
F-from my head to my toe (toe toe)

Now you know I stay dry
F-from my head t-to my toe
E-every motherfucking show
G-give me money t-to blow

Cause I gotta get mine
Gotta get mine
Every single day
Every single day
Watch me hustle boy
