Deep

Bell X1

I don't wanna shake you off
I love the way we fit
I can't resist one who dares
Nor ones who shares like that

And returning to your sea
Somewhere I can bathe my feet
But if the wounds are too deep
You may not have the want
To heal me

You dig it babe
You dig it in deep

The mould has been repressed
And with it all I've known
We have one up on each other
The same mistake

You dig it in babe
