어떤 약을 먹고 누워야
잠이 들 수 있을까
사실 알고 있지만 좀 불안해
내게 엉켜있는 문제들을
말하기 싫지만
나는 너무도 지쳐 있지

나를 괴롭히길 좋아하는
많은 사람들이
사라진 세상이 있지 않을까
가끔은 도망치지만
그 속에 숨기도 했지만
나는 결말을 알고 있지

하루 종일 했던 거지같은 말과
죽을 만큼 바보 같은 짓들에
갇혀 있는 나를 누가 대신
꺼낼 수 없을까
오늘밤이 가기 전에

다들 나와 같은 모습인데
참고 있는 걸까
아니면 나만 못된 사람인 걸까
가끔은 꿈을 꾸지만
그 속을 날기도 했지만
나는 결말을 알고 있지

하루 종일 했던 거지같은 말과
죽을 만큼 바보 같은 짓들에
갇혀 있는 나를 누가 대신
꺼낼 수 없을까
오늘밤이 가기 전에

난 일어날 수 있을까

변하길 바란 모든 것들이
여전히 그대로 일까

What medicine do I have to take
For me to fall asleep?
Actually, I know but I'm a bit nervous
I don't want to talk about my complicated problems
But I'm so tired

Wouldn't there be a world
Where all the people who like to torture me, disappear?
Sometimes, I ran away
Sometimes, I hid
But I always knew the ending

All the lies and things I said all day
All the stupid things I did
I'm trapped in them
Can't someone take me out?
Before the night is over?

Help, somebody help
Somebody help
Somebody help me please tonight
Somebody help
Somebody help
Somebody help me please tonight

Is everyone the same as me
But just holding it in?
Or am I the only bad person?
Sometimes, I dream
Sometimes, I fly
But I always know the ending

All the lies and things I said all day
All the stupid things I did
I'm trapped in them
Can't someone take me out?
Before the night is over?

Help, somebody help

When morning comes again
Will I be able to get up? Somebody help

All the things that I want to change
Will they just stay the same? Somebody help

When morning comes again
I must get up, somebody help
All the things that haven't changed
I'm not ready to face them, somebody help
