Kokoro de motto waraeru you ni

自転車で追い越したこの道に
あの日と同じ色 揺れる花Reminds…

忘れたいのに君のこと
この街中に君の欠片たくさん散らばってるよ

もう君はここにいないのに
想いは風に吹かれて季節は移り変わる

いつかはきっと巡り生まれ変われる
絡まる感情 消えない記憶はまだ
それはただただ高く厚い壁乗り越えて
今よりもっと広がる風景

よく見ればあの日とは違う色
枯れてもまた花を咲かせたのだろう

もう君はここにいないけど
誰かと巡り逢えたら新しい花を咲かそう

いつかはきっと巡り生まれ変われる
このままずっと戦う一人きり
時間 (とき) はチクタク前に進むなら ほら僕も
心でもっと笑えるように

Turn round and round 回る風 季節 花まで
Turn round and round 自転車も 僕の心も

いつかはきっと巡り生まれ変われる
絡まる感情 消えない記憶はもう
だからまだまだ高く厚い壁乗り越えて
今よりもっと強い自分に

戦う一人だけで
いつかはきっと巡って生まれ変わる
時間 (とき) はチクタク前に進むなら ほら僕も
心でもっと笑えるように

Bicycles are passing on this road
Reminds me of the same flower swaying on that day...

I forgotten what you want
A lot of pieces are scattered on this town now

Still you're not here anymore
My feelings and seasons just come and go with the wind

I'm sure that someday it will be reborn and turn around
But still my tangled feelings are unforgettable
With this high thick walls, I overcame nothing
But I can spread more perspective now

Since that day, I look out for different colors
It will bloom and wither

Still you're not here anymore
Let's make a new flower to someone whom we'll meet

I'm sure that someday it will be reborn and turn around
Whenever there's a fight, only one remains
Let's look ahead before it ticks TICK TACK
My heart is more hilarious now

Turn round and round round and turn windy seasons into flowers
Turn round and round My bike is in me and your heart

I'm sure that someday it will be reborn and turn around
But my tangled feelings are still unforgettable
But still, I tried to shrug off with this thick high walls
I'm more stronger now

Just only one remains to fight
I'm sure it will be reborn and lead me to that path
Let's look ahead before it ticks TICK TACK
My heart is more hilarious now
