Girl, what should I do baby
I can't I can't do anything

You're my everything I I need you in my life girl
아직은 헤어질 시간이 아냐 조금 더 있어
널 웃게 해줄 사람 나뿐인 거 모르겠니
날 웃게 해줄 사람도 역시 너 하나뿐이야

심장이 터진다 네 맘이 들린다
아무렇지 않아 떨린 내 목소리
눈물이 흐른다 아닌 척 감춘다
이제는 너와 나 모두 끝났잖아

Love is over 너와의 약속도
Love is over 함께한 시간도
Love 지워진 걸 아무리 불러도

비워둔 맘은 널 기다리고 있잖아
(너 없이 뭘 해 뭘 해)
지워진 자린 날 멀리 가라 하잖아
(너 없이 뭘 해 뭘 해)

기다려 봐도 넌 이젠 볼 수 없잖아
지울 수도 없잖아 바보 같은 하루도
끝이 없잖아

멈출 수 없는 내 맘 Break Down
가질 수 없는 너의 맘 Break Down
잊으려 해봐도 눈 감아도
멈출 수 없는 내 맘 Break Down

어제 마신 술로 쓰라린 속을 잡고 눈을 떠
깨어난 순간부터 당연한 듯 날 괴롭혀
인정할 수 없는 이별
널 사랑한 순간을 다 짓밟혀
벗어나고 싶은 걸

Love is over 너와의 약속도
Love is over 함께한 시간도
Love 지워진 걸 아무리 불러도

비워둔 맘은 널 기다리고 있잖아
(너 없이 뭘 해 뭘 해)
지워진 자린 날 멀리 가라 하잖아
(너 없이 뭘 해 뭘 해)

기다려 봐도 넌 이젠 볼 수 없잖아
지울 수도 없잖아 바보 같은 하루도
끝이 없잖아

멈출 수 없는 내 맘 Break Down
가질 수 없는 너의 맘 Break Down
잊으려 해봐도 눈 감아도
멈출 수 없는 내 맘 Break Down

내 귓가를 지겹도록 맴도는 너의 목소리
복잡한 도시의 소음도 삼킬 수 없는 Melody
너와의 시간은 어느새 바람을 타고 저 멀리
손 닿을 수 없을 만큼 날아갔지 Our Memory

비워둔 맘은 널 기다리고 있잖아
(너 없이 뭘 해 뭘 해)
지워진 자린 날 멀리 가라 하잖아
(너 없이 뭘 해 뭘 해)

널 보낸 맘은 날 기다리게 하잖아
이젠 알 수 있잖아 바보 같은 하루도
끝이 없잖아

멈출 수 없는 내 맘 Break Down
가질 수 없는 너의 맘 Break Down
잊으려 해봐도 눈 감아도
멈출 수 없는 내 맘 Break Down

Girl, what should I do baby
I can't I can't do anything

You're my everything I I need you in my life girl
It's not time for us to break up yet, we still have a bit of time
Don't you know that I'm the only person who can make you smile
You're also the only person who can make me smile

My heart is about to explode and I hear your heart
You seem like you don't care as my voice shakes
My tears keep falling but I hide it as if I'm not
Now everything between me and you is over

Love is over the promise with you
Love is over the times with you
Love is erased,
No matter how much I try to call out for it

My heart I left vacant is waiting for you
(What do I do, what do I do without you)
My spot which has been erased is telling me to go far away
(What do I do, what do I do without you)

No matter how much I wait, I can't see you ever again now
I can't erase you and each stupid day
Will never end

My heart I can't stop Break Down
Your heart which I can't have Break Down
Trying to forget you as I close my eyes,
My heart I can't stop Break Down

With the alcohol I consumed yesterday,
I try to hold onto my sore insides as I open my eyes
As soon as I wake up,

It bothers me instantly as if it was expected
A breakup I can't accept
And that I want to step over all the moments
I loved you to get away from this

Love is over the promise with you
Love is over the times with you
Love is erased, no matter how much I try to call out for it

My heart I left vacant is waiting for you
(What do I do, what do I do without you)
My spot which has been erased is telling me to go far away
(What do I do, what do I do without you)

No matter how much I wait, I can't see you ever again now
I can't erase you and each stupid day
Will never end

My heart I can't stop Break Down
Your heart which I can't have Break Down
Trying to forget you as I close my eyes,
My heart I can't stop Break Down

Your voice that rings in my ears to the point where I'm tired of it
The Melody that can't be washed away by the noise of the complicated city
The times with you have suddenly gone far away with the wind
They've flown away so far where I can't reach out with my hands Our Memory

My heart I left vacant is waiting for you
(What do I do, what do I do without you)
My spot which has been erased is telling me to go far away
(What do I do, what do I do without you)

No matter how much I wait, I can't see you ever again now
I can't erase you and each stupid day
Will never end

My heart I can't stop Break Down
Your heart which I can't have Break Down
Trying to forget you as I close my eyes,
My heart I can't stop Break Down
