Halleluhwah

Can

Did anybody see this snowman
Stand there with the lord
With proper get up, hang his hat
only you're feeling sleepy eyed

It's my recording station, man
But I record in his head
Going down to big mouth
Oh the ice came down from way up north

Ooh, shadow coming out
Why, it's all a story, story that
Oh, sample all about
Spinning that all the time

Ah, a power strike me out
Did I slip this thing on their life
And my God buying out
Who awaits me inside

Searching for my brother, yes, I am
Searching for my brother, yes, I am
Searching for my brother, yes, I am
Searching for my brother, yes, I am

Did you see the day
Every fever may I search him
You can find him, out of steam
She just cried, cried away

Oh
There's all a woman, just by me
And she asked me if I'd stay
For a night
Something was going, I was sinking
Mushroom head, oh yeah, paperhouse
I wonder if I should go...

It wasn't a game after this.

Oh, shadow coming out,
While I call the story, storey that.
Oh, it's all about,
Spinning that all the time.

Shoot all the proof and lust and shout and it's all, just you sow,
Shoot all the proof and lust and shout and it's all, just you sow,
Shoot all the proof and lust and shout and it's all, just you sow,
Shoot all the proof and lust and shout and it's all, just you sow.

Searching for my brother,
Searching for my brother, let him, let him, let him up,
Searching for my brother, let him, let him, let him up,
Searching for my brother, let him, let him, let him up,
Searching for my brother, let him, let him, let him up.

Halelelelelelelelelelela- lelelelelelluwah, let him up,

Halelelelelelelelelelela- lelelelelelluwah, let him up,
Halelelelelelelelelelela- elelelelelluwah, let him up,

Ash you
And the hills are blue,
And she's so.
Got my fever, why do I go?
Got my fever, why do I go?
Got your soles into your shoes.
Got my fever, why do I go?
Got my fever, why do I go?
