Something Else

764-HERO

I know it's kinda late
But I just had to call and hear your voice
Hear your voice

October came too soon
And I'm left wondering why it always does
It always does

And I believe
And I don't believe

Don't run and go get help
I hate to bring you down but it's too late
It's too late

It's never been so good
But I keep hearing I, I just don't know
I gotta go

And I believe
And I don't believe

And I believe
And I don't believe
