11년째 독학 중
내 형광 밑줄은 배움의 미학뿐
끝이 없는 학습
부딪히고 넘어지며 나오는 작품
이 위치에서도 make it move

뭐든 달게 먹는 KitKat 내겐 sweet 해 (Appreciate)
상호 관계, 참 유익해
기름 주입해 주면 drive 해 또 난 beat에
다들 주의해, 나 부주의해
예술이 배인 멋진 그림에 취해 , 계속 Dali 들이대
원해 stadium with my fans 아직까지도
쓸어 담어 모든 트로피 그래미까지도

Self-learning for eleven years
My highlighting's my art of learning
Endless studying
I crash and fall to make my art
Still make it move from where I stand
Make it mine, make it right
Somebody's favorite song again

Drunk in the artistic painting, keep hypin' up Dali
