Only You

Adrienne Bailon

Ooooh...

Only you
Know I'm with cause I'm buggin said I do
You was there whenever I needed only you
Now I'm addicted keep it thuggin' baby boo

Our love, our love's so crazy
But always so real, that's no lie(lie)I ain't playing. My trust in you could break me but I know that there could never be another!

Only you
Know I'm with cause I'm buggin said I do
You was there whenever I needed only you
Now I'm addicted keep it thuggin' baby boo

I feel, I feel complete when,
When I'm with you and I'll never hide(hide) what I'm feeling. Sometimes, sometimes we fight BUT next day we cool that's why there'll never be another...

I hope that you understand, what I feel about you, well I think you do, I know you do
Wait a minute now!
I could just leave it to chance
But baby I love you
I don't need another! (oooh)

Only you
Know I'm with cause I'm buggin said I do (said I do)
You was there whenever I needed only you
Now I'm addicted keep it thuggin' baby boo (baby boo)
Do I really love him?
Yes I do!

[Jay- Z:]
Blowing jets, Global Express
Out the country but the blueberry still connect
On the low but the yacht got a triple deck
But when you young, what the fuck you expect? Yep, yep
Grand openin, grand closin
God damn your man Hov' cracked the can open again
Who you gon' find doper than him with no pen
Just draw off inspiration

Only you...
Only you...

Baby only you!

Only you
Know I'm with cause I'm buggin said I do (said I do, said I do)
You was there whenever I needed only you (only you)
Now I'm addicted keep it thuggin' baby boo

Ooooh, ooooh, ooooh oooo
ONLY YOU!

Only you
Know I'm with cause I'm buggin said I do (I do)
You was there whenever I needed only you
Now I'm addicted keep it thuggin' baby boo (Baby boo)
Do I really trust him?
YES I DO!
