내 몸이 확
머리가 휙
돌아가 어때
지금 기분이

우리는 마치
자석같아
서로를 안고
또 밀쳐내니까

너는 날 미치게 하고
정신 못 차리게 해
그래 알겠지 넌 참
날 기가 막히게 해

너는 날 춤추게 하고
술 없이 취하게 해
그래 알겠지 넌 참
착한 날 독하게 해

우리 둘만의
이 영화에
진짜 주인공은 너였어 baby
그래 넌 오늘도 너답게
화려한 주인공처럼

그저 하던 대로 해
그게 악역이라도
나를 슬프게 해도
넌 너여야만 해
내가 아플지라도
슬픈 엔딩이라도

The show must go on
The show must go on

너는 늘 끝장을 보고
모든 걸 덮으려 해
왜 날개를 달아주고
추락하자 해

너는 늘 착하지라며
날 눈물 삼키게 하잖아
그래 알겠지 알겠지
넌 날 혹하게 해

우리 둘만의

이 드라마에
진짜 주인공은 너였어 baby
그래 넌 오늘도 너답게
화려한 주인공처럼

그저 하던 대로 해
그게 악역이라도
나를 슬프게 해도
넌 너여야만 해
내가 아플지라도
슬픈 엔딩이라도

The show must go on
The show must go on

그저 하던 대로 해
그게 악역이라도
나를 슬프게 해도
넌 너여야만 해
내가 아플지라도
슬픈 엔딩이라도

The show must go on
The show must go on
You must go on

My body and head are spinning
How are you feeling now?
We are like a magnet
We hug and push aside

You make me crazy
And out of my senses
Yes, you may know that
You make me out of my mind

You make me dance
And drunk without alchole
Yes, you may know that
You make me a naughty girl

In a movie only for us
The real hero was you, baby
As always the way you do
Like a splendid hero
Do whatever you want

Even if you're mean
And you make me sad
You need to be yourself
Even if i'm not feeling well
And it's sad ending

The show must go on
The show must go on

You always fight to the bitter end
And try to cover everything
Why did you gave me wings and
Want me to fall

You say to me "good girl"
And make me take my tears back

Yes, you may know that
You snow me

In a drama only for us
The real hero was you, baby
As always the way you do
Like a splendid hero
Do whatever you want

Even if you're mean
And you make me sad
You need to be yourself
Even if it hurts me
And it is sad ending

The show must go on
The show must go on

Do whatever you want
Even if you're mean
And you make me sad
You need to be yourself
Even if it hurts me
And it is sad ending

The show must go on
The show must go on
You must go on
