Enjoy the silence

Depeche Mode

```
   Hmi                  Dmi
1. Words like violence break the silence,
   G
   come crashing in, into my little world
   Hmi            Dmi
   Painful to me, pierce right through me,
   G
   can't you understand, oh my little girl

   Emi                  G                     Hmi      A
R: All I ever wanted - all I ever needed is here in my arms
   Emi            G            Hmi           A#
   Words are very unnecessary, they can only do harm

2. Vows are spoken to be broken,
   feelings are intense, words are trivial
   Pleasures remain, so does the pain,
   words are meaningless, and forgettable

R: All I ever wanted...
