처진 고개를 더 세워
Umm 온 신경이 곤두서
이건 아마도 널
할퀸 순간부터겠지

Do it Baby It's okay
세상을 가진 것 마냥
이기적이게 그냥 Ha Ha Ha
뭐가 좋은데 그리 웃어대는데
Make it right Till I die baby
Aww aww aww (Aww aww aww)

딱 거기까지만 Oh
니 입꼬리 올라가는 소리
여기까지 들려
아쉬워하기엔 너무 빨라
알잖아 Wait for it

우린 미친 듯이 사랑하고
미친 듯 입을 맞추고
미친 듯 머릴 흔들어
(흔들어 흔들어)
우린 미친 듯이 사랑하고
미친 듯 입을 맞추고
미친 듯 꼬릴 흔들어
(흔들어 흔들어)

I'm not much of a drinker
But I'm a dream girl (Yeah)
물음표? 물음표?
그만 좀 물어 대
니 마지막 말에 꼬리치면
따다딱 거기까지만

Do it Baby It's okay
세상을 가진 것 마냥
이기적이게 그냥 Ha Ha Ha
뭐가 좋은데 그리 웃어대는데
Make it right Till I die baby

Ah Look straight into my eyes
Hold your drooping head up high
Umm Hissing, all my nerves on edge
Probably it began
After I clawed at you

Do it Baby It's okay
As if having the world in your hand
Just be egotistic Ha Ha Ha
What's so happy about it, what are you smirking at
Make it right Till I die baby
Aww aww aww (Aww aww aww)

Stop right there Oh
I could even hear up to here
The corners of your mouth going up
It's too soon to be sorry
You know it, Wait for it

We're madly in love
Kiss each other like crazy
Rock your head like crazy
(Shake Shake)
We're madly in love
Kiss each other like crazy
Wag our tails frantically
(Shake Shake)

I'm not much of a drinker
But I'm a dream girl (Yeah)
Question mark, Question mark

Stop asking me questions
Wagging my tail for your last words
Ta-ta-tak Stop it there

Do it Baby It's okay
As if having the world in your hand
Just be egotistic Ha Ha Ha
What's so happy about it, what are you smirking at
Make it right Till I die baby
Aww aww aww (Aww aww aww)

Stop right there Oh
I could even hear up to here
The corners of your mouth going up
It's too soon to be sorry
You know it, Wait for it

We're madly in love
Kiss each other like crazy
Rock your head like crazy
(Shake Shake)
We're madly in love
Kiss each other like crazy
Wag our tails frantically

Hold the tail straight up high
Stand on edge, fussier Aww
Hold the tail straight up high
Hiss on edge, fussier

Stop right there Oh
I could even hear up to here
The corners of your mouth going up
It's too soon to be sorry
You know it, Wait for it
