Unwanted

Anti-Nowhere League

Am I just the reason – for this pain inside of me,
And am I just the reason – why you never needed me.
Am I just the reason – why you always looked so sad,
Am I just the reason – that you left me and my dad.

You stole my pride and joy, your mother’s little soldier boy!

I’m unwanted – UNWANTED
Unwanted, I’m unwanted!

You’re still your mother’s soldier boy.

Am I just the reason – why you always felt so cold.
Am I just the reason – for the love you never showed.
Am I just the reason – that I have no family.
Am I just the reason – why you never kissed me.

You stole my pride and joy, your mother’s little soldier boy!

I’m unwanted – UNWANTED
Unwanted, I’m unwanted!

I’m unwanted! (Don’t you say to me)
UNWANTED! (I gave up everything!)
Unwanted! (Just so that you could sing)
I’m Unwanted! (Selfish boy, selfish boy, selfish, selfish, selfish bo
y!)

I’m unwanted – UNWANTED
Unwanted, I’m unwanted!

You’re still your mother’s soldier boy.

Am I just the reason – why you never wanted me,
And am I just the reason – why you never talked to me.
Am I just a fool – who thinks he knows it all.
And am I the reason – that I’ve grown to be so long!

You stole my pride and joy, your mother’s little soldier boy!

I’m unwanted – UNWANTED
Unwanted, I’m unwanted!

I’m unwanted! (Now I’m leaving you)
UNWANTED! (I’m walking out the door)
Unwanted! (Don’t need this anymore)
I’m Unwanted! (I don’t know you, I don’t know you, I don’t know you a
nymore!)
