여유로운 잠에서 두 눈을 뜨면
제일 먼저 다가와 날 감싸는 너 (Hi)
부드러운 너의 향기로 채워진 나의 첫 숨
넌 나만의 하나뿐인 디퓨저

네 존재 미세먼지 걸러주는 필터
지친 날 감싸주는 쉼터
고민과 걱정 무겐 이젠 너로 인해
후 날아가는 깃털

숨 들이켤 때 너와 내가
하나 됨을 느껴 몸 안에서
멀리 떨어져 있어도 눈 감아도
바로 앞에 있는 것처럼 날 안아줘

칙칙한 내 아침이
언제부턴가 신선해
너의 향기 때문에
지친 내 하루 끝이
이젠 당연히 웃게 돼
네가 있기 때문에

내 공기 속에 (air, air)
Baby you in ma air (air, air)
Girl 네가 없인 단 5분도 버틸 수 없어
Baby you are ma air (air, air)
Baby you are ma air

내 몸을 감싸는 Fresh air
Better than cashmere
너의 숨 내음이 베어
있기에 내 방은 마치 애월

어둠이 드리웠던
지난날의 외로움
그 마침표로 이어진 점선
따라 접고 너로 얻은 새로운 내일

칙칙한 내 아침이
언제부턴가 신선해
너의 향기 때문에

지친 내 하루 끝이
이젠 당연히 웃게 돼
네가 있기 때문에

내 공기 속에 (air, air)
Baby you in ma air (air, air)
Girl 네가 없인 단 5분도 버틸 수 없어
Baby you are ma air (air, air)
Baby you are ma air

어쩌면 내가 널 너무 당연하게
여기고 있는 걸지도 몰라
하지만 네가 없으면 난 숨을 쉴 수 없어
그러니까 Baby please stay with me

칙칙한 내 아침이
언제부턴가 신선해
너의 향기 때문에
지친 내 하루 끝이
이젠 당연히 웃게 돼
네가 있기 때문에

내 공기 속에 (air, air)
Baby you in ma air (air, air)

Baby you are ma air (air, air)
Baby you are ma air

Hands up in the air
저기 저 태양을 가리게
텐션 좀 올릴게
내숭 떠는 너도 춤추게

Hands up in the air
저기 저 구름이 잡히게
계속 좀 흔들게
멀리서도 네가 보이게

When I open my eyes from a peaceful sleep
First of all, come closer, you protect me (hi)
My first breath gets filled up of your soft scent
You're my one and only diffuser

Your existence is like a filter against yellow dust
A resting place embraces me when I'm tired
Now the weight of worries and troubles
Becomes like a flying feather thanks to you

When I breathe in, I feel us becoming one in my body
Even when you’re far away, even if you close your eyes
Hug me as if I’m right in front of you

Since when my dark mornings are this fresh?
It’s thanks to your scent
At the end of a tiring day
It’s a given that I’ll smile now
Because you’re here
In my air (air, air)
Baby you in ma air (air, air)
Girl I can’t survive for even 5 minutes without you
Baby you are my air (air, air)
Baby you are my air

You’re the fresh air that embraces my body
Better than cashmere
Your breath, your scent fills my room
Making it a Utopia
Darkness cast my loneliness of the past
That full stop continued into a dotted line
That I followed and folded
You gave me a new tomorrow

Since when my dark mornings are this fresh?
It’s thanks to your scent
At the end of a tiring day
It’s a given that I’ll smile now
Because you’re here
In my air (air, air)
Baby you in ma air (air, air)
Girl I can’t survive for even 5 minutes without you
Baby you are my air (air, air)
Baby you are my air

I might be taking you for granted
You don’t even know that I’m here
But without you, I can’t breathe
So baby please stay with me

Since when my dark mornings are this fresh?
It’s thanks to your scent
At the end of a tiring day
It’s a given that I’ll smile now
Because you’re here
In my air (air, air)
Baby you in ma air (air, air)
Girl I can’t survive for even 5 minutes without you
Baby you are my air (air, air)
Baby you are my air

Hands up in the air
So we can cover the sun over there
Let me raise the tension
So you’ll stop being shy and dance

Hands up in the air
So we can grab that cloud over there
Hands up, let me shake my hand
So you’ll see me even if you’re far away
