날 드러낼수록
어둠이 가득 밀려와
멋대로 만든 Talk
날 천천히 미치게 해

실체 없는 그림자
나를 조여온 순간
사라져 난
아득히

Hide my pain
진실은 깊게 숨겨 놔
They wanna take me down
So critical, enemies invisible
Oh, give me more, battleground Digital

순간의
거짓은 쉽게 번져가
How did it get so loud?
So critical, enemies invisible
Oh, give me more, battleground Digital

끝없이
깊어진 상처
조금씩
무뎌지는 감각
어느 순간

익숙해진 아픔

결국엔
I'm an easy prey 네 손끝에
피어나는 허상
스쳐 지난 순간
붉게 짙어져 지워지지 않아 또

거짓을 뿌린 그곳에 핀
날카로워진 가시가 돋친 꽃
파고들어 깊게 더

Hide my pain
진실은 깊게 숨겨 놔
They wanna take me down
So critical, enemies invisible
Oh, give me more, battleground Digital

순간의
거짓은 쉽게 번져가
How did it get so loud?
So critical, enemies invisible
Oh, give me more, battleground Digital

끊임없이 마주한 덫
나를 지우던 수많은 밤
감았던 두 눈을 뜨고
닫았던 입술을 열어
소란한 세상은 흐르는 대로 놔
이젠 Let it go
Let it go

하얗게
모든 감정을 비워내
They'll never take me down
So critical, enemies invisible
Oh, give me more, battleground Digital

Feel no pain
거짓을 모두 지워내
They'll never take me down
So critical, enemies invisible
Oh, give me more, battleground Digital

Ha, ha, ha, ha
Woo-ooh
So critical, enemies invisible
Yeah
Woo-ooh
Oh, give me more, battleground Digital
Yeah
