My a aaaaaaa oh my wishlist

아직은 몰라 꿈속에서 보던
나의 단 한 사람 (너너너너)
늘 혼자 상상해 아침햇살처럼
날 깨워줄 한 사람
두 손을 잡고 내 두 눈을 마주 보며
내 얘기에 웃어 주는 사람
드라마나 영화처럼 내게 나타나
내 곁을 지켜 줄 한 사람

내게로 와 와 와 한걸음씩 다가와
내가 꿈꾸던 모습 가지고 내게 나타나
슬픔은 bye bye bye 나를 웃게 해줄 너
내가 그토록 기다리던
너 너 너 내 마음으로 와줘

My a aaaaaaa oh, my wishlist
My a aaaaaaa oh, my wishlist

오늘도 몰래 내 꿈속에서
날 설레 이게 한 사람 (너너너너)
늘 웃음이 나와 달콤한
상상에 빠지게 할 사람

사랑을 몰라 너무 서툴게 굴어도
따스하게 웃어 주는 사람
그 어떤 말도 달콤하게 속삭여주며
내 곁에 빛이 돼 줄 사람

내게로 와 와 와 한걸음씩 다가와
내가 꿈꾸던 모습 가지고 내게 나타나
슬픔은 bye bye bye 나를 웃게 해줄 너
내가 그토록 기다리던
너 너 너 내 마음으로 와줘

생각만해도 널 그려보기만 해도
가슴이 너무나 설레여
무엇보다 더 많이 누구보다 더 크게
나를 사랑해줄 단 한 사람

사랑은 why why why 아직도 내 두 눈에
보이질 않는 건지 , 언제쯤 다가오는지
내게로 와 와 와 좀더 빨리 다가와
내가 그토록 기다리던
너 너 너 내 옆으로 와줘

In my dream I still don't know
My only one person (you you you you)
I always imagine by myself
The one who'll wake me up like the sunshine
Holding my hands and looking at my eyes
The person who'll listen to my story
Like in a drama or a movie
The person who'll come to me and keep me safe by my side

Come come come to me come closer step by step
With the image I dreamed of come to me
Sadness (is) bye bye bye you'll make me smile
I waited so long for
You you you come into my heart

My a aaaaaaa oh, my wishlist
My a aaaaaaa oh, my wishlist

Secretly again today in my dream
The person who makes me flutter (you you you you)
I'm always smiling
The person who makes me fall into a sweet imagination

I don't know love

The person who'll smile warmly at me
With any words that will be whispered sweetly to me
The person who'll be the light by my side

Come come come to me, come closer step by step
With the image I dreamed of come to me
Sadness (is) bye bye bye you'll make me smile
I waited so long for
You you you come into my heart

Just by thinking, just by drawing you
My heart flutters so much
More than anything and anybody else
The person who'll love me

Love (is) why why why still in my eyes
I can't see when will it come to me
Come come come closer come closer a bit quicker
The one I've always waited for
You you you come to my side
