Infestation

Origin

You will fall to your knees
As they scurry in
Your skin you will start to concede
As they start to control your...

Brain!

Metamorphosis, a living cocoon
A walking cadaver internally consumed
Human flesh, they need to feed
Devouring the masses, an eternal need

Infestation!
Infestation!
Infestation!
Infestation!

Assimilation, cellular regeneration
Brainwashed in my own mind
Manipulation of genetic reorganization
No longer a species of mankind
