Fragile

Kygo

Crazy to think that a man can't hurt
Love takes its toll every time it don't work
One door closes and another opens
But it's hard to let go when your heart's broken
I'll give you my trust can you give me your word

Come take my heart of glass and give me your love
I hope you'll still be there to pick the pieces up
Cause baby I'm fragile, fragile, fragile
Cause baby I'm fragile, fragile, fragile

After he left you in 10 x 10
Could I put you back together again
One door closes and another opens
But I won't let go cause I'm not like him
Baby just say the words let the love begin

Come take my heart of glass and give me your love
I hope you'll still be there to pick the pieces up
Cause baby I'm fragile, fragile, fragile
Cause baby I'm fragile, fragile, fragile

Ooh ooooh oh say love say love
Ooh ooooh oh say love say love
Ooh ooooh oh say love say love
Ooh ooooh oh say love say love

You will take it yours and mine
I got your heart of glass and you've got my love
I know we'll still be there to pick the pieces up
Cause baby we're fragile, fragile, fragile
Cause baby we're fragile, fragile, fragile

Ooh ooooh oh say love say love
Ooh ooooh oh say love say love
Ooh ooooh oh say love say love
Ooh ooooh oh say love say love

Oh yeah
Oh yeah
Oh yeah
Oh yeah
Oh yeah
Oh yeah
