ナナナナ...

目まぐるしく回る 迷い掻き分けて
確かな答えなんて 見つかるはずもなくて
夢を見ることも 容易くはないさ
耳を澄ましてみれば 心が騒めいてた

光のない荒野を独り いざ行け
握りしめた手の中には君の言葉
雨に打たれ風に吹かれ 僕らは叫ぶ

Viva青春 胸を張れ いつでも変えられるさ
イチニのサンで さあ前を向け 常識なんて吹き飛ばせ
Viva青春 立ち上がれ 君は一人じゃないさ
僕らだけの革命を 夢と希望のパレード 歓びへと舵をとれ

答えが間違いでも その勇気があれば
真実はいつだって ひとつだけじゃ終わらない

風を受けて 飛び立つ君に 幸あれ
人は誰も弱いものさ 泣いてるんだよ
雨は上がり 幕も上がり 僕らは誓う

Viva青春 咲き誇れ 全てを変えられるさ
イチニのサンで さあ走り出せ やりたいように突き進め
Viva青春 声上げろ まだまだ諦めるな
どんな小さい希望でも 明日のためのエール 心でぎゅっと抱き締めて

嵐の中闘う友よ いざ行け
握りしめた手の中には君の言葉
雨に打たれ風に吹かれ 僕らは向かう

Viva青春 胸を張れ いつでも変えられるさ
イチニのサンで さあ前を向け 常識なんて吹き飛ばせ
Viva青春 立ち上がれ 君は一人じゃないさ
僕らだけの革命を 夢と希望のパレード 歓びへと舵をとれ

ナナナナ...

Na na na na na...

Push your way through the dizzying uncertainties in your mind
You won't find anything like the "right answer" to them
Having a dream is not an easy thing to do
If you try listening closely, your heart is whispering to you

Walking through a dark, empty land alone go forward now
What was held tight in our hands were your words to us
Beaten by the rain, struck by the wind we'll shout out

Viva youth! be proud we can always change
With a "one, two, three", look forward and go blow common sense away
Viva youth! stand up you're not alone
Celebrating our revolution with a parade of dreams and hope
Steer our ship to joy

Even if your answer isn't right, so long as you have the courage
The truth never ends with only a single possibility

Feeling the wind, you take off good luck to you
People are all weak everybody cries
The rain lets up and the curtain rises so we make a promise

Viva youth! burst into full bloom everything can be changed
With a "one, two, three", start to run push your way forward how you want to
Viva youth! shout it out don't give up yet
Even the smallest of hopes will become a cheer for tomorrow hold onto it tig
ht in your heart

Friends who are fighting in the storm together go forward now
What was held tight in our hands were your words to us
Beaten by the rain, struck by the wind we'll move forward

Viva youth! be proud we can always change
With a "one, two, three", look forward and go blow common sense away
Viva youth! stand up you're not alone
Celebrating our revolution with a parade of dreams and hope
Steer our ship to joy
