またひとつ夜が明けて 誰の胸にも眩しい光が 差し込めば
過ぎた日を思うより 新しい何か見つけたくて 歩いた

不安も期待も あるがままに
通り抜ける風に 願い一つを託して

One step 当たり前の one step 毎日だって
One step 歓びも哀しみも すべて愛おしい
One step あなたにただ one step 届けたくて
One step どこまでも途切れない 僕らのメロディー
涙 分け合えたらbe okay

持ち合わせの言葉じゃ 育てた気持ち伝えること 出来ずに
不器用と言われても 自分に嘘をつけないから 顔上げた

涙を隠して 笑顔見せた
今も聞こえてくる あの日のままの思いが

One step 心ひとつ one step 信じ続け
One step この道はどこまでも繋がってゆく

One step 悔しさだって one step 胸に誓った
One step どんな遠くの未来も いつか来るだろう
笑顔抱き締めたらbe okay

雨が上がり また歩き出す 昨日と少し 違う気持ちで
Hey 全てに意味があるさ

名前もない あの風景を いつか出逢う 果てない夢を
誰も歌ったことのない歌を 僕らは歌うよ
見上げた空へ 思いを紡いでく

One step 当たり前の one step 毎日だって
One step 歓びも哀しみも すべて愛おしい
One step あなたにただ one step 届けたくて
One step どこまでも途切れない 僕らのメロディー
涙 分け合えたらbe okay

Another dawn has come when the bright light shines into someone's heart
Rather than thinking of the days long past, they'll want to find something n
ew and walk forward

With both your worries and hopes stay as you are
Entrust one of your wishes to the passing wind

One step even ordinary days one step
One step joy and sadness all of it is precious
One step just wanting these feelings to reach you one step
One step without ever pausing, our melody will play
If we can share our tears, we'll be okay

The words you have on hand weren't enough to describe the emotions that'd be
en growing inside
But though you might be told you're awkward, because you can't lie to yourse
lf, you raised your head

Hiding my tears, I showed a smile
I can still hear the feelings from those days talking to me

One step keep believing in a single heart one step
One step this road will always be connected
One step even with your regrets one step you promised it to yourself
One step the faraway future will come someday
If we smile and hold each other tight, we'll be okay

The rain stops and we start walking again, feeling slightly different than y
esterday
Hey everything has a meaning

Of the nameless scenery from then of the endless dreams we'll meet someday
We'll sing a song that no one has ever sung before
We'll tell our feelings to the sky above

One step even ordinary days one step
One step joy and sadness all of it is precious
One step just wanting these feelings to reach you one step
One step without ever pausing, our melody will play
If we can share our tears, we'll be okay
