여긴 어딜까? 궁금해져
좀 어둡지 않아 ? 불을 켜볼게 Switch
새로운 통로 또 다른 chance
이 미로의 끝을 나랑 같이 가볼래
꼭 넘어도 넘어도 끝이 없는 sail
더 멀어도 멀어도 닿고 싶은 place (Oh no)
닿고 싶은 place

저기 멀리 갈림길의 끝엔 뭐가 보일까
여기 놓인 걸림돌을 넘어가면 보일까
처음 닿는 거친 걸음마저 기분이 좋아
저기 멀리 부푼 꿈이 점점 가까워져 가

막힌 길이 엉킨 길이 나를 막아선 대도
그려가는 채워가는 꿈은 나만의 지도
처음 보는 낯선 시선마저 느낌이 좋아
저기 멀리 보인 빛이 점점 가까워져 가

보여? 바로 지금 이 순간
점점 내 색이 또 물들어 가는 중

너무 어려운 건 그대로 pass
가까워질 거야 함께라면 더 매일

꼭 넘어도 넘어도 끝이 없는 sail

Where is this place? I'm getting curious
Don't you think it's a little dark? I'll turn on a light Switch
A new passage another chance
Do you want to go with me to the end of this maze?
Even if you pass it, it's an endless sail
Even if it's far, you want to reach this place
Oh no you want to reach this place

I wonder what you can see at the end of this crossroad
I wonder what you can see when you pass this obstacle
It feels good just taking this first rough step
That dream that's far away keeps on getting closer

Even if a dead end, a tangled path blocks me
The dream that I draw and fill up acts as my map
The unfamiliar stares I get make me feel good
The light I saw far away is getting closer to me

I see it right in this moment
My color is slowly getting absorbed
Anything that's too difficult I just pass
It's gonna get closer if we're together everyday

Even if you pass it, it's an endless sail
Even if it's far, you want to reach this place
Oh no you want to reach this place
