What Can I Do

Tye Tribbett

Tell me what can I do
Cause I can't live without
I can't live without you

So here's my heart.
Here's my mind
I give you my soul
Need you to take control

Cause I've tried it
Tried it on my own but
what i found is
I can't make it

on my own
on my own

I can't make it
I can't make it

on my own
on my own

I can't make it
I can't make it

Tell me what can I do
Cause I can't live without
I can't live without you

on my own
on my own

I can't make it
I can't make it

on my own
on my own

I can't make it
I can't make it

Tell me what can I do
Cause I can't live without
I can't live without you

Oooh. Ooooh. Ooooh. Ooooh.
Oooh. Ooooh. Ooooh. Ooooh.
Oooh. Ooooh. Ooooh. Ooooh.
Oooh. Ooooh. Ooooh. Ooooh.

I can't walk without you
I can't talk without you
I can't sing without you
I'm nothing without you

I can't live without you

I can't breath without you
I can't be without you
There's no me without you

I can't walk without you
I can't talk without you
I can't sing without you
I'm nothing without you

I can't live without you
I can't breath without you
I can't be without you
There's no me without you

Tell me what can I do
Cause I can't live without
I can't live without you
