Must be the best I'm
내 온몸으로
시동 거는 drive
떨기 시작한
나의 몸은 꼭
마치 super car
깜빡 켜진 light
내 두 눈이야 뛰는 이 심장
Yeah 들어봐
내 엔진의 sound
Ooh we feel it
날렵한 내 소음 sorry
고막 찢는 이 소리
나를 쫓는 너의 눈빛

따라오려 애쓴
허나 태생부터

Something different
흔적마다 blessing
지워지지 않을 매일 위해
Running

움직여 vroom
Like a black car
어떤 리듬 다 잘 타
더 vroom 레벨이 달라
나도 나를 감당하기 벅차

Taking control
You just wanna follow my lead
When I'm in my zone
We just keep
On going and going
Don't stop

Drifting drifting drifting

뒤쪽 트렁크는 터질 것 같지
너무 많은 내 비장의 cage
자꾸 꺼내도 판도라같이
계속 존재해 날 빛낼 secret
Ooh we feel it
흥분에 오싹한 느낌
You know that
너의 상식을 침범해
매너 지켜 추월해줄게
화끈한 속도를 보여줄게
넌 그냥 마음껏 놀라면 돼

따라오려 애쓴
허나 태생부터
Something different
흔적마다 blessing
범접하려 하면
이미 난 또 running

움직여 vroom
Like a black car
어떤 리듬 다 잘 타
더 vroom 레벨이 달라
나도 나를 감당하기 벅차

Taking control
You just wanna
Follow my lead
When I'm in my zone
We just keep
On going and going
Don't stop

Drifting drifting drifting
Don't stop
Drifting drifting drifting
Don't stop

나의 몸엔 흠집이 함께해
But 내겐 없어 brakes
끝은 늘 시작과 이어진
Way ooh
Pull up like

Pull up like
고삐 풀어 다 핸들을 꺾어 난
우린 pull up like
Yeah we pull up like
고삐 풀어 다

Vroom like a black car
이 리듬에 올라타
더 vroom 겁날 게 뭐야
거침없이 너를 운전해봐

Taking control
질주 끝에 마주한
더 넓은 brand new zone
We just keep
On going and going
Don't stop

Drifting drifting drifting
Don't stop
Drifting drifting drifting
Don't stop
