

# Livin On

## 13th Floor Elevators

See Me Rocking,  
to Set The Times Awry,  
i'm Bringing In My Stocking,  
if The Score Is Tied

i May Drop In  
and Plant Smokestakes,  
giving It,  
leaves No Tracks,  
what's Up It's Wrong,  
so I'm Just Living On

i Hear You Talkin  
you're Only Popping Spits,  
automatic Walking,  
ooh The Smack Appears

your Dingy Just,.. Circles Insane  
take The Lord's,.. Name In Vain  
betty Jean .. Comes Off Like  
its Livin On

living On Past The Ice Age,  
and Walrus Harpoons,  
living On Past The Space Age,  
and The Yellow Balloons

in The Age Of The Exit,  
are The Moving Cartoons  
bringing You Right Along  
helping You... Living On  
my Special...And Took Me Out Alone  
he Showed Me A Level,  
i'm Talking On My Own

so Don't Be Taken By What I Say,  
if Its Too Rigid Just Go Away,  
you're Never Really Gone,  
only Livin On...

if You Miss My Watching,  
sometimes I'm Catching All I Can,  
in The Steady Watching,  
of The Prophet's Plan,

whoa, And The Good Life Will Fill,  
people Tell  
will Keep Us Our Souls Very Well,  
in The Wisdom Of Right Ever Long,  
and The Spirit Of Us, Livin On
