

## Right Track Now

13th Floor Elevators

Writing you this letter to say I'm feeling better  
Getting used to spending all my nights alone  
Wouldn't worry about it, I can do whiteout it  
Writing you to say I'm on the right track now

Got my consolation by anticipation  
Keeps me smiling every time I think you're away  
I see morning showers while away my hour  
Writing you to say I'm on the right track now

If you'd come and see me that would really free me  
Tell me what the trip you took has done for you  
Come and be my lover I think you'll discover  
That I'm like a sapphire down the right track now
