It's Too Late

Bobby Goldsboro

I remember when I told you
That I tried in every way
To hold you and kiss you
ANd love you and keep you
Till my dying day

You just laughed
And said you'd found somebody new
And you didn't need all
The things I could do

Now you found out that your new love
Isn't true like he should be
You say that you're gonna forget him
And you're gonna come back to me

Well, things have changed
And I've found me somebody new
Someone to make me forget about you
And I'm telling you

That it's too late to say you're sorry
It's too late to say you're mine
I have found myself a new love
And I'm going to make her mine

It's too late
It's too late

Many days I tried to call you
Many nights I spent alone
Everyone knew that I loved you
But you had a love of your own

But now that he's gone
You think you can come back to me
But I'm not the same fool
That I used to be
And you're gonna see

That it's too late to say you're sorry
It's too late to say you're mine
I have found myself a new love
And I'm going to make her mine

It's too late
It's too late
To say you're mine

It's too late to say you're sorry
It's too late to say you're mine
I have found myself a new love
And I'm going to make her mine

It's too late to say you're sorry
It's too late to say you're mine
I have found myself a new love

And I'm going to make her mine
