More And More

Carl Smith

More and more I'm forgettin' the past more and more I'm livin' at last
Day by day I'm losin' my blues more and more I'm forgettin' bou t you
But oh how hard I tried to keep you by my side
And oh how I cried the day we said goodbye
Day by day I'm losin' my blues more and more I'm forgettin' bou t you
More and more I'm forgettin' the past...
