

## Moutheater

16volt

And there's so many things  
So many things you do  
And there are many things  
And many things are true  
And they hold onto nothing  
Don't ever let it go  
Your guidance is poison  
The followers are so  
Slow  
Misleader  
Believer  
Deceiver  
Moutheater  
And there are many ways  
And many are sad  
And there are many days  
And many are dead  
So they follow without choice  
And never let you down  
And you swallow their voice  
And leave them without their own sound
