Break

한 걸음씩 발걸음을 떼
쉽지 않을 걸 알지만
희미하게 흘러나오는 빛줄길 향해
달려나가 날개를 펴고

저 멀리멀리 하늘 끝에
닿을 때까지 높이 날아

Break your box (벗어던져)
Break the pressure 태워버려 다

끝이 보일 듯 보이지 않는 어둠 속
그 안에 혼자 있는 나
마치 줄에 묶여있는 개처럼
벗어날 수가 없어 왜 제자리일까
계속해서 발버둥 쳐봐도 그대로야
달려보고 싶어 저 멀리
내 숨이 닿는 곳까지
이제는 벗어나려 해
감은 눈을 뜨고 천천히
한발씩 앞을 향해 내딛는 나

저 멀리멀리 하늘 끝에
닿을 때까지 높이 날아

Break your box (벗어던져)

Break

I take my first steps on foot
Though this wouldn't be easy
I run out towards the string of light
Shining faintly, open my wings

Far, far way, I fly high
Until I touch the end of the sky

Break your box (Break the frame)
Break the pressure, burn them all

I'm alone in the darkness
Where the end cannot be seen
Like a dog on a leash
I can't escape, so why am I still here?
I keep on fighting but nothing has changed
I want to run somewhere far away
To a place where my breath can reach
I'm now going to escape
I open my eyes and slowly
Walk forward, step over step

Far, far way, I fly high
Until I touch the end of the sky

Break your box (Break the frame)
Break the pressure, burn them down
Break your box (Break the frame)
Break the pressure, burn them all
Break
