낯선 전율에 휩싸인 채로
점점 커지는 심장의 파동
바로 지금이야 무모해질 time
온 몸을 던져 , wild, wild west
Welcome to my rodeo, 거침없이 달리는 mode
이런 기분 fantastic, 미쳐 가는 걸
두 눈 부릅떠 , don't stop, 달려 더
정신없이 달려가 난 pum-pum, ready to go

마주 닿은 시선 끝에서
니 모든 게 날 끌어당겨
더 참을 생각 없어 난
온 힘을 다해 질주할게 right now
쉴 틈 없이 터지는 my love
그 무엇도 막을 수 없어
Feel like crazy, 남김없이
쏟아내 모두 다

상관없어, ready or not
Burn the fire, fire, all in
뛰어들어, ready or not
지금 이 떨림 속에 ready, set, go
(Oh, eh-oh, eh-oh) 터질 것 같은 feel
(Oh, eh-oh, eh-oh) 심장은 getting loud
준비는 끝났어
Get ready, here I go

Let's go
호흡을 뱉어내 처음부터
난 불이 붙은 다음 달려가 , you gotta lay low
'Cause I'll be coming in hot, ready or not, 두려워하지 마, give it a shot
앞만 보고 never stop, get set, ready, go
Left 아님 right, 어디든 다 말만 해
Where you at? I'll go there
복잡하게 고민은 no more
속도를 더 높여 , no matter what you do, yeah

걷잡을 수 없는 이 feeling
하나로만 날 가득 채워
적당히 할 맘 없어 난
누가 뭐라든 맘대로 가 right now
벅찬 맘은 끝없이 higher
그 무엇도 막을 수 없어
Feel like crazy, 어디든지
끝없이 달려가

상관없어, ready or not
Burn the fire, fire, all in

뛰어들어, ready or not
지금 이 떨림 속에 ready, set, go
(Oh, eh-oh, eh-oh) 터질 것 같은 feel
(Oh, eh-oh, eh-oh) 심장은 getting loud
준비는 끝났어
Get ready, here I go

네게로 should I go?
숨 쉴 수 없는 순간
점점 더 가까워져
너로만 채워진 view
후회 따윈 안 남게
너에게만 집중해 tonight
다른 건 전부 중요치 않아 , now

상관없어, ready or not
Burn the fire, fire, all in
밀어붙여 ready or not
널 향한 떨림 속에 흠뻑 빠져
(Oh, eh-oh, eh-oh) 보이지 않는 길
(Oh, eh-oh, eh-oh) 어디든 I don't mind
뜨거운 이 순간
Get ready, here I go

Covered in this unfamiliar thrill
My heartbeat's getting louder and louder
This is the time to get reckless
It's time to go, all wild, wild west
Welcome to my rodeo, I'm on a no hesitation mode
This feels fantastic, it's drivin' me crazy
Open your eyes wide, don't stop, keep running
Just keep running, I'm, pum-pum, ready to go

When our eyes meet
Your everything pulls me to you
I won't hold back anymore
I'll run forward with everything I got right now
My love's popping endlessly
Nothing can stop it
Feel like crazy, without leaving anything
Pour everything you got

It doesn't matter whether you're ready or not
Burn the fire, fire, all in
Jump in whether you're ready or not
In this excitement, it's time to ready set go
(Oh, eh-oh, eh-oh) Feels like it's gonna explode
(Oh, eh-oh, eh-oh) My heartbeat's getting loud
I'm all set
Get ready, here I go

Let's go
Breathe out from the start
I'll be running when I'm on fire, you gotta lay low
'Cause I'll be coming in hot, ready or not, don't be afraid, give it a shot
Look straight ahead, never stop, get set, ready, go
Left or right, just tell me where you wanna go
Where you at? I'll go there
Think deep about it, no more
Speed up, no matter what you do, yeah

I'm out of control
Only this feeling fills me up

I'm gonna go all extreme
No matter what others say, I'm going my way right now
This overwhelming emotion's getting higher
Nothing can stop it
Feel like crazy, no matter the place
I keep running

It doesn't matter whether you're ready or not
Burn the fire, fire, all in
Jump in whether you're ready or not
In this excitement, it's time to ready set go
(Oh, eh-oh, eh-oh) Feels like it's gonna explode
(Oh, eh-oh, eh-oh) My heartbeat's getting loud
I'm all set
Get ready, here I go

Should I go to you?
Even though I can't breathe
I'm getting closer
To the view of only you
So that I won't have any regrets
I'll focus on you only tonight
Nothing else matters now

It doesn't matter whether you're ready or not
Burn the fire, fire, all in
Push through whether you're ready or not
I've fallen in this excitement toward you
(Oh, eh-oh, eh-oh) I can't see anything around me
(Oh, eh-oh, eh-oh) I don't mind wherever you are
I'm all heated up
Get ready, here I go
