Summer Time High Time

Cuco

Summer time is the time I like to get high with you, it's true
Vibe with me, trip with me, let me spend my days with you

Going up a hill and we're on a pretty pill
I'm just around the corner where the clouds meet up the mills
Happiness is back ain't no one to me but you
And no lies have come along everything I say is true
If I'm on cloud 9 maybe 30 even 2 ain't no one
Bringing me down my cause highest is with you
So grab my hand and now let's go fly away from
Town let's get to outer-space baby I'm telling you now that

Summer time is the time I like to get high with you, it's true
Vibe with me, trip with me, let me spend my days with you

Baby come and share ya lovely vibes
Baby come and share ya lovely vibes
Baby come and share ya lovely vibes
I'll promise that I'll make you mine tonight
Shawty I don't really care
We could get drunk in the in the back of the trunk
You a perfect 10 no gas, no pump
Sippin on rum, baby we young
Shawty don't ever tell me that your done
Cause I wanna get a little taste don't run
Shawty you gorgeous, girl you should know dis
I got so many things I never told ya

Summer time is the time I like to get high with you, it's true
Vibe with me, trip with me, let me spend my days with you
Summer time is the time I like to get high with you, it's true
Vibe with me, trip with me, let me spend my days with you
