Falling

DAY6

Kibō to yū kotoba
Soko ni ukabu
Kimi to kizuita mirai ga
Itsu kara ka kuzurete itta

Everything s falling falling
All of it is crashing
Falling down on me
Te ni nokoru no wa sore dake datta

Everything s falling falling
All of it is crashing
Know it s cause of me
Hitori de samayou kurayami no naka de
Kono mama

In that place we set fire
Warmed the walls with stories like
How we d build this roof so high
Like all kids do

Ano toki no hidane kara
We burned

Everything s falling falling
All of it is crashing
Falling down on me
Te ni nokoru no wa sore dake datta

Everything s falling falling
All of it is crashing
Know it s cause of me
Hitori samayou kurayami no naka de
Kono mama
Kono mama

Kimi ni mukatte utaisakebu
Kimi no kokoro ni wa todokanai
Feel nothing on the other side

Everything s fallen fallen
All of it is burned
And Fallen down on me
Hai no naka ni uzumoreteku

Everything s fallen fallen
All of it is dust I
Know it s cause of me
Itsu made mo kako dake o egaite
Ikirudarō

希望という言葉
そこに浮かぶ
君と築いた 未来が
いつからか 崩れていった

Everything’s falling falling

All of it is crashing
Falling down on me
手に残るのは それだけだった

Everything’s falling falling
All of it is crashing
Know it’s cause of me
ひとりで彷徨う 暗闇の中で
このまま

In that place we set fire
Warmed the walls with stories like
How we’d build this roof so high
Like all kids do

あの時の火種から
We burned

Everything’s falling falling
All of it is crashing
Falling down on me
手に残るのは それだけだった

Everything’s falling falling
All of it is crashing
Know it’s cause of me
ひとり 彷徨う 暗闇の中で
このまま
このまま

君に向かって 歌い叫ぶ
君の心には 届かない
Feel nothing on the other side

Everything’s fallen fallen
All of it is burned
And Fallen down on me
灰の中に埋もれてく

Everything’s fallen fallen
All of it is dust I
Know it’s cause of me
いつまでも過去だけを描いて
生きるだろう
