

## 22 Days

22-20s

For all of the times I tried to make you see  
Well I'm sorry, yeah I'm sorry  
But I still don't understand who you expected me to be  
But I'm sorry, yeah I'm sorry  
Well I'm sorry for you and I'm sorry for me

Goodbye babe  
Well I'm up off my knees  
You're so easy to love  
And you're so hard to please

I'm not looking for acceptance  
I'm not looking for a place  
I'm not trying to impress you  
And I'm not looking for appraise  
But I was looking for something that I can deface

Goodbye babe  
When you're blue 'tis so rare  
You're so easy to love  
But there's nothing really there

Twenty-two countries in twenty-two days  
With you in my head, with you in my head  
Twenty-two nights just trying to erase  
Every word that you said, every word that you said  
But it still makes me sick, I'm so easily in love

Goodbye babe  
When it's hard to turn round  
You're so easy to love  
And you're so hard to tie down
