22 Days

For all of the times I tried to make you see Well I'm sorry, yeah I'm sorry But I still don't understand who you expected me to be But I'm sorry, yeah I'm sorry Well I'm sorry for you and I'm sorry for me

Goodbye babe Well I'm up off my knees You're so easy to love And you're so hard to please

I'm not looking for acceptance I'm not looking for a place I'm not trying to impress you And I'm not looking for appraise But I was looking for something that I can deface

Goodbye babe When you're blue 'tis so rare You're so easy to love But there's nothing really there

Twenty-two countries in twenty-two days With you in my head, with you in my head Twenty-two nights just trying to erase Every word that you said, every word that you said But it still makes me sick, I'm so easily in love

Goodbye babe When it's hard to turn round You're so easy to love And you're so hard to tie down
