나를 봐 다가와
더 늦기 전에 잡아줘 Baby
우리 조금만 더 솔직해
너의 맘을 아직도 잘 몰라

왜 이리 설레이는지
손끝부터 뼛속까지 다 저려
너만 보면 떨리는지
마치 선물 기다리는 꿈속의 비밀

괜찮아 괜찮아 정말
언제나 다가와도 괜찮아
Come back back back
오늘도 내일도 (I'll be here my babe)
너를 느낄 수 있게 내게 다가와줘
Say hello hello hello
달콤하게 hello hello hello
귓가에 Say hello hello hello
(Ooh baby call my name)
마법처럼 나를 녹여준
목소리로 say hello

살며시 다가가 네 품에 안겨
자꾸 내가 기대하게 되는 너
너도 잘 알잖아 너와 행복했던
순간들 왜 나만 기억해

왜 설레이는지
손끝부터 뼛속까지 다 저려
너만 보면 떨리는지
마치 선물 기다리는 꿈속의 비밀

괜찮아 괜찮아 정말
언제나 다가와도 괜찮아
Come back back back
오늘도 내일도 (I'll be here my babe)
너를 느낄 수 있게 내게 다가와줘
Say hello hello hello
달콤하게 hello hello hello
귓가에 Say hello hello hello
(Ooh baby call my name)
마법처럼 나를 녹여준
목소리로 say hello

너 왜 그래 또 혹시 변했니
아무 미련 없이 널 보낼 수 있게
잠시 멀리해도 괜찮아
다시 돌아올 걸 잘
알고 있어 baby

괜찮아 괜찮아 정말
언제나 다가와도 괜찮아
Come back back back
오늘도 내일도 (I'll be here my babe)
너를 느낄 수 있게 내게 다가와줘
Say hello hello hello
달콤하게 hello hello hello
귓가에 Say hello hello hello
(Ooh baby call my name)
마법처럼 나를 녹여준

Look at me, come to me
Before it gets later, hold me baby
We are just a bit more honest
But I still don't know how you feel

Why does my heart flutter like this?
From my fingertips to my bones, everything goes numb
Only when I see you, I'm nervous
Like a present I've awaited in a secret dream

It's alright, it's alright, really
Always come to me, it's alright
Come back back back
Today and tomorrow (I'll be here my babe)
I can feel you, please come closer to me
Say hello hello hello
Sweetly hello hello hello
To my ears, say hello hello hello
Ooh, baby, call my name
Like magic, I melt down from
Your voice, say hello

Softly come to me and hold me in your arms
You still make me wait for you, you don't really understand
The happy moments I spent with you
Why do I only I remember?

Why does my heart flutter like this?
From my fingertips to my bones, everything goes numb
Only when I see you, I'm nervous
Like a present I've awaited in a secret dream

It's alright, it's alright, really
Always come to me, it's alright
Come back back back
Today and tomorrow (I'll be here my babe)
I can feel you, please come closer to me
Say hello hello hello
Sweetly hello hello hello
To my ears, say hello hello hello
Ooh, baby, call my name
Like magic, I melt down from
Your voice, say hello

Why are you like this?
Have you perhaps changed again?
I can send you away without protests
If you get further for a bit, it's alright
I know that you'll come right back, baby

It's alright, it's alright, really
Always come to me, it's alright
Come back back back
Today and tomorrow (I'll be here my babe)
I can feel you, please come closer to me
Say hello hello hello
Sweetly hello hello hello
To my ears, say hello hello hello
Ooh, baby, call my name
Like magic, I melt down from
Your voice, say hello

Just call my name name name
I'll be right here waiting waiting waiting
