Night and Day

Diana Krall

Night and day, you are the one
Only you beneath the moon, under the sun
Whether near to me or far
It's no matter darling, where you are
I think of you.... night and day

Night and day, why's it so
That this longing for you, follows wherever I go
In the roaring traffics boom
In the silence of my lonely room
I think of you night and day

Night and day, under he hide of me
There's an old, such a hungry yearning, burning inside of me
And this torment won't be through
Till you let me spend my life making love to you
Day and night, night and day

Night and day, under he hide of me
There's an old, such a hungry yearning, burning inside of me
And this torment won't be through
Till you let me spend my life making love to you
Day and night, night and day
