

## Stealing Chairs

28 Days

Out of everyone you were the last expected to leave  
So much potential  
So much left to achieve  
Thanks so much for warm receptions and your clear perceptions  
Thanks so much for stealing chairs  
For seeing light in darkened places  
I thank you most for being there

I had a dream  
I had a dream last night  
And I think you know 'cause you were there

And there's not much I can say  
That we miss you every day  
And I'm bitter 'cause it's unfair  
We'll be drinking in the sun  
Playing music having fun  
'Cause one day I'll see you there

Out of everyone you were the last I expected to grieve for  
It seems my place is to be the bereaved  
To find the light in darkened places  
To see the gift that you were there
