Save my home in the jungle

(La maison la la la maison)
Save my home in the ocean
Save my home in the desert
(La maison)

Please someone fight for us

숨이 막혀
저 멀리 사라져만 가는
내일 Oh stay
땅을 울려
무너지는 이곳의
선명한 Dead sign과
익숙해진 누군가

Oh 날
더는 못 속여 다 알고 있어
숲을 투과해 빛을 따라가
All day all night
깊숙이 자리 잡은 그대
Break your habit now

Save my home in the jungle
Save my home in the polar
지켜내 나의 Maison
Please someone fight for us

Save my home in the ocean
Save my home in the desert
지켜내 나의 Maison
Please someone fight for us

사람들은 다 하고 싶은 대로 해
진심 비운 껍데기뿐인 고해
눈 질끈 감어
기다리다가 딱 봐도 보이지 않는 미래에
후회할 때는 이미 늦었단 걸 알아 Uh
너 편하기만 하면 다쳐
Be my side
이상하게 덥지? 이 행성의 법칙
마치 말라가는 니 양심과 똑같지 Hoo

Oh 날

더는 못 속여 다 알고 있어
먹구름 아래 비를 따라가
All day all night
깊숙이 자리 잡은 그대
Break your habit now

Save my home in the jungle
Save my home in the polar
지켜내 나의 Maison
Please someone fight for us

Save my home in the ocean
Save my home in the desert
지켜내 나의 Maison
Please someone fight for us

거친 바람을 타고 다 물들여
모든 계절이 선명한
그 순간으로 돌려
흘러내린 내 눈물
이미 물에 잠긴 눈

Save my home in the jungle
Save my home in the polar
지켜내 나의 Maison
Please someone fight for us

Save my home in the ocean
Save my home in the desert
지켜내 나의 Maison
Please someone fight for us

지나쳐 버린 순간
다 사라지는
(La maison la la la maison)
모른 척하는 너도
다 사라지는
(La maison la la la maison)

Save my home in the jungle
Save my home in the polar
(La maison la la la maison)
Save my home in the ocean
Save my home in the desert
(La maison)

Please someone fight for us

Suffocating
Tomorrow just fades away
Oh stay
Shakes the ground
It's falling down
A clear dead sign
Someone got comfortable

Oh I
Can't be fooled no more
Through the forest, follow the light
All day all night
You are deep inside
Break your habit now

Save my home in the jungle
Save my home in the polar
Protect my Maison
Please someone fight for us

Save my home in the ocean
Save my home in the desert
Protect my Maison
Please someone fight for us

Everybody do what they wanna do
Nothing real, promise in vain
Clench your eyes
Open again but no future before us
It's always late to regret it uh
Comfort can do you harm
Be my side
Suddenly hot? Rules of the planet
So dry just like your conscience hoo

Oh I
Can't be fooled no more
Under the cloud, follow the rain
All day all night
You are deep inside
Break your habit now

Save my home in the jungle
Save my home in the polar
Protect my Maison
Please someone fight for us

Save my home in the ocean
Save my home in the desert
Protect my Maison
Please someone fight for us

Follow the wind and color everything
Rewind the time
When seasons were clear
Tears are falling
Snow is melting

Save my home in the jungle
Save my home in the polar
Protect my Maison
Please someone fight for us

Save my home in the ocean
Save my home in the desert
Protect my Maison
Please someone fight for us

Once you pass by
All fades away
(La maison la la la maison)
You playing dumb
All fades away
(La maison la la la maison)

Save my home in the jungle
Save my home in the polar
(La maison la la la maison)

Save my home in the ocean
Save my home in the desert
(La maison)

Please someone fight for us
