

Somebody's Baby Interlude

2AM Club

Look at that girl
With the lights coming up in her eyes
She must be somebody's baby
She's got to be somebody's baby
All the guys on the corner stand back
Let her walk on by
She must be somebody's baby
She's got to be somebody's baby

Take out my phone
I'm calling you up
But all I hear is

Woo!
