Artificial lover

Artificial lover 처음부터 넌
실체마저 Under (Cover cover)

Uh 이게 나는 사랑이었다 믿어
현실적이지 않던 너지만
이유 없이 번져 갔어
너를 갈망한 내 목마름
평면적인 너와 나의 관계
짜여 있는 사랑 공식 너의 한계
왜곡된 감각과
불투명한 현실의 경계

She don't love me
내겐 Artificial love
순결했던 너의 Artificial love
뭐가 진실이고 거짓인지 말해 줘
Can't trust this

You got that
거짓 미소 Artificial love
거짓 눈물 Artificial love
거짓 사랑 Artificial love
그게 바로 너의 너의
Love love oh oh
No no oh oh

아닌 걸 알면서도
널 찾게 되는 나
안 될 걸 알면서도
포기는 싫은 나
Now you wanna play me

내가 원하는 건 다 가진 너
완벽하게 설계된 차가운
Artificial love

Artificial lover
치사량을 넘긴 애정
통제 못한 중독
상처를 씹어 뱉어
예측 못할 감정 흐름
심장 속에 눈물 고여
모래 위의 밀물처럼
다시 차오르지 넌 더

새벽 공기에 넌
차가운 입김처럼
시린 허공 가르며
훅 사라지는 꼴
애써 너란 불을 꺼
잔상 마저 다 지워
You know why, artificial lover

She don’t love me
그래 Artificial love
속이 텅 빈 Artificial love
뭐가 진실이고 거짓인지 말해 줘
Can’t trust this

You got that
거짓 미소 Artificial love
거짓 눈물 Artificial love
거짓 사랑 Artificial love
이게 바로 너의 너의
Love love oh oh
No no oh oh
Love love oh oh
No no oh oh (Uh, listen up)

내게 약속한
순수한 네 사랑 나는 원했어
새로운 길을 밝혀 줄
한낮의 달콤한
단잠의 꿈에 날 가둘 거야

Yeah, turn it up

Artificial lover

Artificial lover, from the beginning you
Even your true form is undercover cover

I believe that this was love
I know you aren’t real but

It spread without a reason
My thirst which craves for you
Our relationship is superficial
Your romance is calculated and that’s your limit
Senses are distorted and
The borderline of reality is unclear

She don’t love me
To me you were artificial love
Your pure artificial love
Tell me what is the truth and what is a lie
Can’t trust this

You got that
Fake smile, artificial love
Fake tears, artificial love
Fake love, artificial love
That is your your
Love love oh oh
No no oh oh

I know it’s not right
But I still come looking for you
I know that this isn’t meant to be
But I don’t want to give up
Now you wanna play me
You have everything that I want
You are perfectly built, a cold
Artificial love

Artificial lover
This love exceeds the lethal dose
It’s an uncontrolled addiction
Chew the scar and spit it out
Unpredictable emotions
My heart is filled with tears
Like the rising tide on sand
You rise up again more

You’re like a cold breath
In the early morning air
You cut through the frigid sky
Whoosh, see how you disappear
It took some effort to turn off the light that is you
I even erase all afterimages of you
You know why, artificial lover

She don’t love me
That’s right, artificial love
Empty artificial love
Tell me what is the truth and what is a lie
Can’t trust this

You got that
Fake smile, artificial love
Fake tears, artificial love
Fake love, artificial love
That is your your
Love love oh oh
No no oh oh
Love love oh oh
No no oh oh (Uh, listen up)

I wanted your true love
That you promised me
I will imprison myself
In a sweet midday nap
Which will light a new way

Yeah, turn it up

Artificial lover
