Tonight 不思议的感觉
超诡异的氛围 Oh no
瞬间 在若隐的光线
有剪影的若现
身体像被冻结

若失去了现在好机会
就被铐上锁链
注定和你紧紧纠结 Yeah
尽全力都白费
逃脱被破解 无解
What I do do do do do

心已着魔 你的美 我惶恐
无法抗拒 陷入你牢笼
爱已捕获
我双脚不再挣脱
全被你操控

望着你 望着你
Yeah 望着你 望着你 不放

起鸡皮疙瘩 寒噤不停打
这感受那么强大
惊险更胜爱情之上
Yeah 如芒刺在背

面无表情像扑克的脸庞
像孩子无邪笑声混搭
难以捉摸的落差
我神通广大
也面对你难以招架

心已着魔 你的美 我惶恐
无法抗拒 陷入你牢笼
爱已捕获
我双脚不再挣脱
全被你操控

望着你 望着你
Yeah 望着你 望着你 不放
起鸡皮疙瘩 寒噤不停打

Yeah 越漆黑就能感觉 很棒
尽情释放 Show ya
Show ya show ya
Show ya show ya show ya
Baby baby baby baby
Show ya show ya
Show ya show ya

Yeah 别用似笑非笑的表情
我的心总是彻彻底底被你洞悉
真的让我太颤栗
想故作冷漠 想故作洒脱
依然藏不住我心
早被你深深吸引
就似中了你的毒
这样上瘾并且渴望
迷失爱的迷宫怎么出去
再怎么背着你反其道而行
仍逃不过你掌心

You hovering over my head like blanche
魂牵梦萦的勾魂是你的诡计
这样太危险 太危险
到全盘熟悉却被束手就擒
就像必杀技
坦然面对现实
关于你一举一动
一频一笑 无法抗拒
忘了如何抵抗
即使我用尽了一万倍的战力
仍被你一败涂地

心已着魔 你的美 我惶恐
无法抗拒 陷入你牢笼
爱已捕获
我双脚不再挣脱
全被你操控

Tonight, an incredible feeling
A super strange atmosphere, oh no
Suddenly, a looming ray of light
Presents a silhouette
My body feels like it's been frozen

If you lose the good opportunity now
You'll be handcuffed
Bound to be tightly locked onto you, yeah
All your struggles will be in vain
The way to escape is cracked, there's no way
What I do do do do do

My heart has been possessed, I fear your beauty
Unable to resist, I fall into your cage
Love has been caught
My feet stopped struggling
All of me is controlled by you

Looking at you, looking at you
Looking at you, looking at you, not letting go

Getting goosebumps, the shivering doesn't stop
The feeling is powerful
A thrill is better than love
Yeah, like a thorn on your back

No expressions in your face, like a poker card
Like a mixture of children's innocent laughter
A drop difficult to fathom
My supernatural powers are vast
It's hard to withstand when facing you

My heart has been possessed, I fear your beauty
Unable to resist, I fall into your cage
Love has been caught
My feet stopped struggling
All of me is controlled by you

Looking at you, looking at you
Looking at you, looking at you, not letting go
Getting goosebumps, the shivering doesn't stop

Yeah, the darker the more I can feel it, it's great
Release me whenever you want, show ya
Show ya show ya
Show ya show ya show ya
Baby baby baby baby
Show ya show ya
Show ya show ya

Yeah, don't use that faintly smiling expression
My heart is always thoroughly understood by you
It really makes me tremble
Want to pretend to be cool, want to pretend to be free
But I can't hide my heart
I'm deeply attracted yo you
I'm addicted and desire
More of the poison that is you
Lost in love's maze, how do I escape?
Even if I walk in the opposite way as you
I still can't escape your palm

You hovering over my head like blanche
The erotic dreams are your tricks
It' too dangerous, too dangerous
Overall we're familiar but I'm still caught by bare hands
Like a killer technique
Calmly facing the truth related to all your movements
Frequently a laughter
It's irresistible
I forgot how to resist
Even if I fought back with ten thousand times more power
I'll still be crushingly defeated by you

My heart has been possessed, I fear your beauty
Unable to resist, I fall into your cage
Love has been caught
My feet stopped struggling
All of me is controlled by you
