더 깊이 타오른 Fire 멈출 줄 모르고
온몸에 뜨거운 열기 시간을 견디고

다시 태어나는 느낌 눈부시게 shining
모두 손을 뻗어 오지만 보여줄게 네게만 Oh

가치를 재 더 확실한 chance
어딜 비교해 날 감당 못 해

Blow up 지금 네 눈앞에
We glow up 모두가 날 원해

We drive 'em crazy crazy
We do it daily daily
우린 빛나지 두 눈이 멀어지게 We be

피할 생각은 없어 부딪히고 깨질수록
투명함에 빛을 더해 날 완성해 나가는 걸

더없이 화려해진 내 모습은 이제
영원토록 너의 곁에서
변치 않을 거라고 Oh

완성해 내 더 완벽하게
다 방심한 새 난 상식을 깨

Blow up 지금 네 눈앞에
We glow up 진짜를 가려내

We drive 'em crazy crazy
We do it daily daily
우린 빛나지 두 눈이 멀어지게 We be

Fire does not know how to stop
I have a hot open time all over my body

Feeling reborn shining dazzlingly
All hands reach out but I'll show you Oh

A definite chance to re-value
I can not afford to compare me anywhere

Blow up in front of you now
We glow up Everybody wants me

We drive 'em crazy crazy
We do it daily
We shine and our eyes are far away

Shinin 'shinin' just like a diamond
Blindin 'blindin' you like a diamond
Shinin 'shinin' just like a diamond

My appearance has become so brilliant now
Forever beside you
Oh, it will not change

I'll finish it
Everything is new and I have a sense of common sense
