Wow wow, yeah yeah yeah

허락된 공기로 쉬는 숨
헤엄쳐 봐도 결국 여긴 너의 품
꿈에서도 너란 꿈을 꾸는 All night
팔을 뻗은 순간
손끝에 물결치는 감각
그건 You 모두 You
물빛으로 물드는 시간들
따스한 니 미소는 Beautiful
이대로 행복하니까
나에게 자유를 주지 마

넌 내가 찾은 One and one and only
닿은 발끝 닿은 손 닿은 공간
모든 게 너인데
날 그려 내는 부드러운 손길
너의 액자 안에 멈춰 있을 때
가장 편안한 나
난 니 안에 갇혀

Yeah, yeah, yeah
손이 마치 잡힐 듯한
너의 온기로 가득 찬
자유로운 어항 속
투명한 나의 공간

유리 벽 너머로 비친 계절
나와는 아무런 상관없어 Oh
내 피부 위 닿는 계절이
다 너니까 Yeah
내 두 눈을 가린 손길
그 틈 실낱 같이 비친
옅은 햇빛 속에 난
곤히 단잠을 자

(Girl you are my)
넌 내가 찾은 One and one and only
닿은 발끝 닿은 손 닿은 공간
모든 게 너인데
날 그려 내는 부드러운 손길
너의 액자 안에 멈춰 있을 때
가장 편안한 나

난 니 안에 갇혀

Yeah, I want you
내 곁에 머물러
Ain’t nobody but you

Uh, 맘의 물안개가 걷혀
너만 선명해져 (Oh baby, yeah)
눈 앞 풍경이 다 멈춰
너만 숨을 쉬어
니 것이 아닌 나를 허락하지 말어

(Girl you are my)
이곳은 오직 나를 위한 세상
너의 온도 너의 빛 너의 물결
다 내게 맞춰진
수면에 비친 구름 위를 걸어
우린 하늘보다 푸른 이 곳을
헤엄치고 있어
난 네 안에 갇혀

You got me girl, I got ya
이대로 Baby
영원히 In your arms

내 세상의 색은 오직 은빛의
다른 색은 필요 없어 Eh
Woo whoo oh
난 니 안에 갇혀

You got me girl
I got you girl, I got you girl
이 사랑에 갇혀

Wow wow, yeah yeah yeah

Breathing the air I’m allowed
No matter how far I swim I’m still in your arms
I even dream of you in my dreams all night
When I reach out my arms
I feel the waves on my fingertips
That’s you, it’s all you
Times dyed with the color of water
Your warm smile is beautiful
I’m happy just like this
So don’t let me be free

You’re my one and one and only
The toes, the hands, the space I’ve reached
Everything is you
Your soft touch drawing me
And when I’m frozen in your canvas
I’m the most comfortable
I’m trapped inside of you

Yeah, yeah, yeah
Where it’s like I’m able to grab your hand
Where it’s filled with your warmth
In my small fishbowl of freedom
My space with clear walls

The seasons through these glass walls
Don’t have anything to do with me

The only season that reaches my skin
Is all you, yeah
Hands covering my two eyes
And in the thin rays of sun
Shining through the small cracks
I fall into a sound sleep

(Girl you are my)
You're my one and one and only
The toes, the hands, the space I've reached
Everything is you
Your soft touch drawing me
And when I'm frozen in your canvas
I'm the most comfortable
I'm trapped inside of you

Yeah, I want you
Stay by my side
Ain't nobody but you

The wet fog in my heart clears
Only you become more defined.
The scenery in front of me freezes
Only you are breathing.
Don't allow me to be anything but yours

(Girl you are my)
This is a world made just for me
Your warmth, your light, your waves
Are made just for me
I walk on the clouds reflected on the water surface
In this place that is more blue than the sky
We are swimming
I'm trapped inside of you

You got me girl, I got ya
Just like this, baby
Forever in you arms

My world is filled with silver
I don't need any other colors
Woo whoo oh
I'm trapped inside of you

You got me girl
I got you girl, I got you girl
Trapped in this love
